**Purpose:**

To document the interview of ATFE Confidential Informant #100082.

On July 27, 2015, at approximately 9:10 P.M. Illinois State Police (ISP) Zone 1 Investigations Public Integrity Task Force (PITF) Inspector Medrys #9717 and I, Special Agent (S/A) Minnear #4638, interviewed Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATFE) Confidential Informant (CI) #100082 in Room 13 of Franciscan St. James Hospital in Chicago Heights, Illinois. The purpose of the interview was to determine what information, if any, the CI could provide reference the non-fatal officer involved shooting of SHAQUILLE TYLER (M/B, DOB: 01/18/1993) by two (2) ATFE task force officers. Also present during the interview were ATFE Special Agents Steven Stassi and Matt Ward. CI #100082 related the following, in summary, and not verbatim:

CI #100082 was in contact with someone the CI identified as "Bishop." The CI and Bishop were talking with each other over the phone to arrange for the CI to buy four (4) guns from Bishop. The CI and Bishop agreed to meet in the area of 15<sup>th</sup> Street and Donovan Drive in Chicago Heights, Illinois. The CI was parked at a nearby location unknown to the CI prior to meeting with Bishop. The CI spoke with Bishop on the telephone, and Bishop directed the CI to come to 15<sup>th</sup> Street and Donovan Drive and park and Bishop would meet the CI there. The CI parked on the west side of Donovan Drive just south of 15<sup>th</sup> Street. Bishop came out from behind one of the buildings on the corner and got into the rear driver's side door of the CI's car. Bishop sat directly behind the CI. The CI asked Bishop if Bishop had the guns. Bishop said a friend of Bishop's had the guns, but the friend and the guns were close by. Bishop asked the CI if the CI had the \$3600 they agreed the CI would pay Bishop for the guns. The CI said he had the money. Bishop said he was going to go get the guns and come back. Bishop got out of the CI's car and disappeared around the corner of one of the buildings nearby. While the CI was sitting in his car waiting for Bishop to return, the CI was watching a group of men who were gathered on the corner of 15<sup>th</sup> Street and Donovan Drive not far from the CI's car. Bishop returned carrying a purple bag and Bishop once again got into the rear driver's side door of the CI's car and sat directly behind the CI. Bishop told the CI he did not want to complete the sale of the guns with the group of men standing on the corner near the CI's car. Bishop directed the CI to drive south on Donovan Drive and pull into the parking lot on the south side of the apartment building at the southwest corner of Donovan Drive and 15<sup>th</sup> Place.

After pulling into the parking lot, the CI parked his car in a parking space on the north side of the parking lot with the CI's car facing north. The CI put his car in park and told Bishop to put the guns in the bag the CI had on the floorboard of the back seat. Bishop, later identified as TYLER, pulled a silver semi-automatic handgun from his waistband, raised the handgun up, and pointed the handgun at the CI's head. TYLER told the CI, "You know what

his is, I need that.” The CI pulled the \$3600 out of his pocket and handed it back to TYLER. Some of the money fell on the rear floorboard of the CI’s car as the CI was handing it to TYLER. TYLER told the CI to turn the CI’s car off and take the keys out of the ignition. The CI turned the car off and took the keys out of the ignition. TYLER told the CI to throw the keys down, so the CI dropped the keys on the driver’s side floorboard beneath the CI. TYLER then began to exit the CI’s car and TYLER was telling the CI not to move. The CI then looked in his rear view mirror and saw ATFE task force officers pull up in their vehicle. The CI heard the task force officers yell at TYLER to drop his gun. The CI heard numerous gun shots and the CI started to duck down in his car. The CI then felt a sharp pain in his lower right leg, and the CI felt he had been shot. Because the CI was ducking down, the CI did not see TYLER get shot and he did not see which task force officer or officers fired at TYLER.

Task force officers pulled the CI out of his car and onto the pavement. The CI looked to his right and saw TYLER lying on the ground. The CI could see blood on the ground around TYLER. The CI told task force officers the CI had been shot in the leg. An ambulance was called, and the CI was transported to the hospital to have his leg treated. The CI said he was wearing an audio recording device on his person, and there was an audio and video recorder disguised as a GPS device mounted in his car. Those recordings are the subject of a separate report in this investigation.

The CI had no further information to provide, and the interview was concluded at that point.

Special Agent Winter stated that he has been with ATF for two years and, prior to that, was with the US Park Police for four years. At the time of the shooting he was in a REACT car with SA Fries, SA Schuster and SA Ward. The REACT mission was to remain close, but out of sight, and to respond to extract the confidential informant if something went wrong.

SA Winter stated that they briefed as a team at the Home Depot and went over the operations plan and reviewed the target photo. SA Winter said he had no prior dealings with the suspect/target. The confidential informant was also present and all team members familiarized themselves with the CI and his vehicle.

The original location was at Pepe's restaurant and SA Winter said they positioned their vehicle behind the location, but within sight of the CI. SA Winter stated he was in the back seat. SA Winter said he heard the CI communicating with the

target over the "coms" and the target told the CI to change locations. The CI moved out of sight to a lot. SA Winter said they drove by the CI's location eastbound and then parked out of sight facing west. About ten minutes later, SA Winter said he heard the target tell the CI he was meeting someone and the target went out of sight. Several minutes later, SA Winter said they made a pass by the CI and the target had returned and was in the back seat behind the CI. SA Winter said they re-positioned their vehicle. Shortly after, SA Winter heard the CI say something suspicious and he heard over the "coms" to initiate.

SA Winter said they went to the lot where the CI was located and SA Stassi's and TFO Reno's vehicles were in the lot. SA Winter said he was armed with an M4 .223 rifle and a Glock .40 pistol. SA Winter said he exited his vehicle and heard four to five shots. Winter saw TFO Reno, but did not see Reno with his gun out, since his view was blocked by a vehicle. SA Winter said he helped TFO Reno take down the target and gave Reno his handcuffs to cuff the subject. SA Winter also recalls seeing blood on money on the ground. SA Winter stated he saw the CI, but only learned later that he had been hit.

SA Winter said the situation slowed down and he saw SA Schuster render aid to the CI and SA Ward attend to the target. SA Winter took the video equipment off the CI. Winter recalled seeing the target's gun lying near the downed target and hearing TFO Reno advise everyone not to disturb the casings on the ground. SA Winter said he got TFO Reno and TFO Winter in a vehicle and began verbally calming them down.

SA Winter also secured a secondary vehicle connected with the target and recovered a Desert Eagle ( caliber unknown) from under the seat. SA Winter rendered the weapon safe and secured it inside a vehicle lock box.

SA Winter said he was then sent to St. James Hospital, where he assisted in guarding the target. Winter said the target made no comments while at the hospital.

Person Interviewed: Special Agent Craig Fries #5450

Persons Present: Investigator Paul Lambert #335 CCSAO & Special Agent Eileen Payonk #4805 ISP

Date & Time: 07/29/15 12:16 PM

Location: Bureau of Alcohol, Tobacco and Firearms @ 525 W. Van Buren Chicago, IL.

On above date and time RI and Special Agent Payonk interviewed Special Agent Fries regarding his involvement in a law enforcement shooting in Chicago Heights on 07/27/15.

His interview is in summary and not verbatim.

Special Agent Fries stated that he has been with ATF for about one year and, prior to that, was an Atlanta Police Officer for many years. At the time of the shooting he was in a REACT car with SA Daniel Winter, SA Kevin Schuster and SA Matthew Ward. Fries stated that the REACT responsibility is to be out of view and to respond to extract the confidential informant if something goes wrong.

SA Fries stated that they briefed as a team at the Home Depot and went over the operations plan and reviewed the target photo. The confidential informant was also present and all team members familiarized themselves with the CI and his vehicle.

The CI's original location was the Pepe's restaurant lot; however, the location moved to a side street that SA Fries stated intersected with Donovan. Around 4:45 PM, SA Fries heard over the "coms" that a potential "rip" may go down and, when

he signal was given, his team went to the scene with lights and siren activated. At the scene SA Fries opened the door of his car and exited, armed with an M4 .223 rifle and a Glock .40 pistol. SA Fries also said he was wearing a tactical vest clearly marked "POLICE" and carrying a TASER.

A Fries stated he heard more than one shot being fired, but saw nothing. SA Fries saw two male black subjects on the ground and blood on the ground. The target had a right leg wound above the kneecap. Fries did not recall hearing any commands by officers. After SA Reno handcuffed the target, SA Fries rendered aid to the target.

A Fries said an ambulance and Chicago Heights Police arrived shortly after and the paramedics attended to the target and then the CI. SA Fries went to St. James Hospital with the target, but the target said nothing at this time. At the hospital, SA Fries stayed with the target along with SA Ward and SA Winter. SA Stassi came to that location later. SA Fries said he left for Stroger Hospital about 9:00 – 9:30 PM with the target and was relieved by TFO Russell White and another unknown FO.

=====

=====**Andrew Waller**, Special Agent(SA), Bureau of Alcohol, Tobacco, Firearms & Explosives(ATF), Star # 5385, was interviewed at his place of employment, 525 W. Van Buren, 6<sup>th</sup> Floor, Chicago, Illinois, telephone number (312)846-7200. After being advised of the nature of the interview and the interviewers identities, Waller provided the following information:

During an ATF operation involving a confidential informant(C/I), on July, 27, 2015, Waller was assigned to ride in a vehicle with ATF SA Steven Stassi. Shortly after a briefing with other personnel involved in this operation, Waller and Stassi followed the C/I and subsequently parked in a Pepe's parking lot just west of where the C/I's vehicle was parked, to observe the C/I's movements.

At some point Waller heard a radio transmission that the C/I was in contact with the subject, identified as Shaquille Tyler. Tyler was on foot, carrying a bag and wanted the C/I to drive and meet Tyler around 15<sup>th</sup> Street and Donovan, in Chicago Heights, IL. At some point Waller heard Tyler tell the C/I that "he did not have the guns, but his boy did." Another transmission indicated there was a suspicious silver Kia in the area that might be involved. Afterwards, a transmission indicated that Tyler was doing some texting, near a garage, before returning to the C/I's vehicle.

Upon returning to the C/I's vehicle, Tyler told the C/I to drive to a parking lot near Donovan and 14<sup>th</sup> Place. At this point, Waller and Stassi relocated for a better vantage point and was informed that Tyler did not physically go to the Kia. Moments later, the C/I drove south on Donovan and Waller heard that a black male was in the back seat of C/I's car, a silver Ford Taurus. Shortly thereafter, Waller heard a radio transmission wherein the C/I's passenger said "give me the money." This was followed by a transmission from SA John Biemeret, who yelled "Rescue, rescue, rescue," believing the C/I was being robbed.

Following the above, Waller and Stassi drove into the lot where the C/I's vehicle was parked. Waller and Stassi parked their vehicle nearby, at a 45 degree angle to a nearby car. Waller observed Officer Mark Reno who was standing northwest of C/I's car, in a shooting stance and saw Reno fire three shots. Reno was shouting toward the driver's side of C/I's vehicle and Waller heard two more shots fired. At this time, Waller was just down range and from his vantage point he saw the rear driver's side door of the C/I's car was open. Tyler was observed standing just outside the vehicle. Tyler was clad in a black shirt and black shorts and a purple bag was observed at the scene. By the time Waller walked to the C/I's car, Tyler was lying on the ground and being restrained by Reno, who told Waller to retrieve Tyler's gun. Waller observed a silver pistol on the ground and used his finger to touch the gun, but then stood by to guard the firearm. Waller said Reno was the only person he observed fire shots.

Waller asked the C/I about his condition and overheard SA Kevin Schuster say the C/I was shot. Waller also saw blood dripping from Tyler, whom he also heard was shot. The C/I had a wound near his right ankle and Tyler's injuries were being addressed by SA Matthew Ward. Shortly thereafter, emergency services arrived and the C/I and Tyler were taken to hospitals. Waller said he stood watch over the gun for about fifteen minutes, before the area was processed by law enforcement officials.

Interview with S/A Kevin Schuster		P. Rice #390/ CCSO S/A F. Medrys #9717

On 29 July 2015, at approximately 1302hrs, Reporting Investigator s (RIs) interviewed ATF Special Agent (S/A) Kevin Schuster, #4830, regarding a police involved shooting in Chicago Heights, Illinois on 20 July 2015. The interview was conducted in the offices of the ATF located at 525 W. Van Buren in Chicago, Illinois. ATF S/A Blake Boteler, #2493, was also present during the interview. What follows is a summary of the interview and not verbatim.

S/A Schuster stated he has been a Special Agent (S/A) with the Federal Bureau of Alcohol, Tobacco and Firearms (ATF) since January of 2006. S/A Schuster stated he was previously employed as a Special Agent with General Service Administration (GSA) in the Office of the Inspector General (OIG) from 2002 to 2006 and before that as an analyst with the same agency.

S/A Schuster stated he previously viewed/ listened to portions of under-cover video and under-cover audio recordings of the events before being interviewed.

S/A Schuster stated that at the time of the events he was wearing his ballistic vest with a police patch and a patch of his badge on the front. He was wearing his duty belt with his service weapon (Glock Model 22), three extra magazines, handcuffs and his ASP baton. S/A Schuster stated that while on surveillance in his assigned vehicle he kept his front covered by a shirt to hide his police markings. S/A Schuster stated he removed the shirt covering his vest when the incident unfolded. S/A Schuster stated he did not fire his duty weapon during the incident.

S/A Schuster stated his team staged at a Home Depot located on Halsted St. in Chicago Heights, Illinois. S/A Schuster stated he believes it was Chicago Heights but he is not sure because he is not familiar with the area. S/A Schuster stated he was a passenger in the front seat in a Ford Escape vehicle driven by S/A Matthew Ward. S/A Schuster stated S/A Dan Winters was in the right-rear seat and S/A Craig Fries was in the left-rear seat. S/A Schuster stated their team's mission was the Confidential Informant (CI) Rescue Team. S/A Schuster stated their job was to see that the CI was protected

of four FN 5-7 pistols. S/A Schuster stated there were approximately ten ATF agents, two Chicago Police officers, Mark Reno and Perry Williams (assigned as task force officers [TFOs]) and a CI involved in the operation. S/A Schuster stated an operational briefing was conducted at the staging site which outlined the details of the operation, use of force guidelines, rules and regulations to be enforced, emergency/contingency plans and other information.

S/A Schuster stated that at approximately 1615 to 1630hrs, he could not be sure of the time, they moved to the area of the operation. S/A Schuster stated his vehicle was situated northwest of the CI in an Aldi's parking lot. S/A Schuster stated the CI was by a Chinese restaurant. S/A Schuster stated there was another unit west of the CI. S/A Schuster stated he did not know where other units were set up. S/A Schuster stated his team monitored the CI who was using an undercover radio transmitter. S/A Schuster stated he heard on the receiver that the CI had made contact with who is now known to have been a target of the operation (Shaquille Tyler) and was moving. S/A Schuster stated his team moved southbound on the street east of the Aldi's and pulled into a Pepe's restaurant parking lot. S/A Schuster stated they heard that the CI was going to an apartment complex but did not yet know where. S/A Schuster stated they drove down the block south of the Pepe's restaurant, possibly 14<sup>th</sup> St., and went eastbound. S/A Schuster stated they could see an apartment complex on their right. S/A Schuster stated he saw the CI's vehicle backed into a parking space at the complex and they went past it. S/A Schuster stated they set up a block east of the CI facing westbound. S/A Schuster stated they continued to monitor the CI's transmitter. S/A Schuster stated group Supervisor (GS) John Biemeret was observing and calling out on the radio the activity of the CI and Tyler. S/A Schuster stated he heard on the receiver that Tyler wanted the CI to show him the money for the purchase. S/A Schuster stated Tyler then left the vehicle, went behind a garage or small building and made a telephone call. S/A Schuster stated this activity heightened their awareness. S/A Schuster stated they then heard the CI talking and saw his vehicle leave northbound from the parking space and then proceed eastbound toward their position on 14<sup>th</sup> St. S/A Schuster stated he could see someone in the backseat of the CI's vehicle. S/A Schuster stated they could not move until the CI's vehicle was out of site for fear of being spotted.

S/A Schuster stated the CI's vehicle went southbound on Donovan St. S/A Schuster stated they waited until the CI vehicle was two blocks down before initiating a u-turn to follow. S/A Schuster stated that at this time they heard over the transmitter something to the effect of "you're robbing me?". S/A Schuster stated he then heard GS Biemeret call on the radio "rescue, rescue, rescue". S/A Schuster stated they proceeded to the location of the CI with emergency lights and siren activated. S/A Schuster stated they pulled southbound on what he believes may have been Donovan Street and saw two other surveillance vehicles pulled in ahead of them in what appeared to be the parking lot of an apartment building which was just north of the parking lot. S/A Schuster stated he heard one to two gun shots as they pulled into position. S/A Schuster stated he saw who believes may have been TFO Reno with his weapon out and pointing it in the direction of the CI's vehicle. S/A Schuster stated he heard what he believed was the sound of a bullet hitting glass and looked at the windshield of their vehicle to see if they were taking fire from someone. S/A Schuster stated he heard a total of three to four shots. S/A Schuster stated his view of the CI vehicle was blocked by the Chevy Avalanche of S/A Stassi. S/A Schuster stated his vehicle was approximately 15 yards behind S/A Stassi's vehicle. S/A Schuster stated TFO Reno's vehicle was behind the CI vehicle.

S/A Schuster stated he un-holstered his weapon as he exited his vehicle. S/A Schuster stated his gear was briefly caught up in the seat belt of his vehicle. S/A Schuster stated he approached past S/A Stassi's vehicle towards the CI vehicle. S/A Schuster stated he could hear commands to the effect of " get down on the ground" and " show me your hands" being yelled. S/A Schuster stated he got around S/A Stassi's vehicle and saw other team personnel approaching Tyler who was in a prone position at the driver's side rear of the CI vehicle. S/A Schuster stated he could hear Tyler yelling " I' m shot" . S/A Schuster stated Tyler was handcuffed but he is not sure by whom. S/A Schuster stated he covered the officers and Tyler.

S/A Schuster stated he went to the CI who was on the ground. S/A Schuster stated as he moved to the CI he saw the money for the deal on the ground with blood on it. S/A Schuster stated he saw blood on the CI's leg. S/A Schuster stated he heard TFO Reno request someone call Emergency Medical Services (EMS) and heard someone tell TFO Reno that GS Biemeret was already doing that.

S/A Schuster stated he asked the CI if he was ok. S/A Schuster stated the CI told him he was hit or cut. S/A Schuster stated he told the CI he would be ok. S/A Schuster stated he could not see a wound and asked the CI to move his leg which allowed him to see an entry wound in the CI's lower leg but S/A Schuster did not recall if the wound was in the right or left leg. S/A Schuster stated the CI's wound was not spurting blood. S/A Schuster stated he obtained a medical kit from another team member and put gauze, tape and pressure in the CI's wound. S/A Schuster stated he left the CI in place and waited for EMS.

S/A Schuster stated he was concerned about securing the money on the ground and the crime scene and heard TFO Reno telling people not to step on his spent shell casings. S/A Schuster stated he later saw pieces of paper with rocks weighing them down marking the shell casing's locations.

S/A Schuster stated he saw a chrome pistol with black grips on the ground to his right off the driver's side of the trunk of the CI vehicle near Tyler.

S/A Schuster stated that after EMS arrived he went to an ambulance to get sanitized as he had blood from the CI on him even though he had been wearing gloves. S/A Schuster stated the EMS personnel gave him sanitary wipes with which to clean up.

S/A Schuster stated he saw S/A Ward leaving in their vehicle. S/A Schuster stated he opened the rear door and inquired as to their destination. FF/PM Zorzi has been with the Chicago Heights Fire Department for the past 6.5 years. Prior to working for Chicago Heights, Zorzi worked for North Palos Fire Protection for 8 months. A call came in of a double shooting at 1500 Donovan Dr. Zorzi was the ambulance driver for the shift. When Zorzi and Peterlin arrived, they were the second ambulance on scene. A medic from the first ambulance on scene pointed out to Zorzi and Peterlin where their patient was in the parking lot. The first medics on scene were already treating a patient.

Zorzi advised he and Peterlin went to where his patient was sitting in the parking lot. The patient was sitting on the ground by the driver side rear of a car. Zorzi observed money and blood scattered all over. The patient already had a bandage on his ankle. Zorzi and Peterlin put the patient on a stretcher and put him in the back of ambulance #683. All conversation that Zorzi had with the patient centered on the patient's injury and medical care. Zorzi said an ATF agent rode in the back of the ambulance. Zorzi was the driver of the ambulance and does not have any knowledge of any conversations that took place in the back. Zorzi transported the patient to St. James Hospital in Chicago Heights. The patient was turned over to hospital personnel upon arrival. Zorzi and Peterlin then returned to Station #3.

11. As a direct and proximate result of one or more of the aforesaid acts or omissions of the DEFENDANT OFFICERS, NAVIA JR was caused to suffer serious personal injury, pain, suffering, and mental anguish, including loss of consciousness.

ANSWER: Defendants lack knowledge as to the truth of the allegation that Plaintiff lost consciousness or to what degree he suffered pain. Defendants deny the remaining allegations contained in this paragraph.

16. The aforementioned actions of said officers were the direct and proximate cause of the constitutional violations set forth above.

**ANSWER:** Defendants deny the allegations contained in this paragraph and deny any illegal or wrongful conduct.

**WHEREFORE,** Defendants request that judgment be entered in their favor and against Plaintiff, for costs of defending this suit and any other relief this Honorable Court deems necessary and proper.

**AFFIRMATIVE DEFENSES**

1. Defendant Officers are government officials, namely police officers, who perform

discretionary functions. Defendant Officers admit that they encountered and arrested Plaintiff. At all times material to the events alleged in Plaintiff's First Amended Complaint, a reasonably competent police officer, objectively viewing the facts and circumstances then confronting these Defendant Officers, could have believed their actions regarding the encounter with and arrest of Plaintiff to be lawful, in light of clearly established law and the information that these Defendant Officers possessed. Defendant Officers are therefore entitled to qualified immunity on Plaintiff's claims under federal law.

2. Defendant City is not liable to Plaintiff if its employees or agents are not liable to Plaintiff. 745 ILCS 10/2-109 (2006).

**JURY DEMAND**

Defendants, Martin Teresi, Mark Reno and the City of Chicago, request trial by jury.

**ANSWER:** City admits the allegations as contained in paragraph 1.

2. Plaintiff Paul Winesberry is a resident of the Northern District of Illinois.

**ANSWER:** City admits that police reports relating to the incident in the Complaint indicate that Plaintiff claimed to have resided at 8705 South Throop, Chicago, Illinois. City lacks information or knowledge sufficient to form a belief as to the truth of the remaining allegations contained in paragraph 2 and therefore, these allegations are deemed denied.

3. Defendant City of Chicago is an Illinois municipal corporation.

**ANSWER:** City admits the allegations as contained in paragraph 3.

4. Defendants M. Reno, R. Garcia, and Hines were at all times relevant acting under color of their authority as police officers of the City of Chicago and are sued in their individual capacity.

**ANSWER:** City lacks information or knowledge sufficient to form a belief as to the truth of the allegations contained in paragraph 8 and therefore, these allegations are deemed denied.

9. In arresting and charging plaintiff with the offense of obstructing a peace officer, defendants Reno, Garcia, and Hines:

- a. were motivated by ill will, malice, or a desire to injure plaintiff, or, in the alternative,
- b. acted as a result of a municipal policy of the City of Chicago of refusing to train, supervise, and discipline its police officers so that they would not arrest citizens for obstructing a peace officer when there had been any physical act of obstruction.

**ANSWER:** City denies the allegations as contained in paragraph 9(b). City lacks information or knowledge sufficient to form a belief as to the truth of the remaining allegations contained in paragraph 9 and therefore, these allegations are deemed denied.

1. This action has been brought by plaintiff, Paul Winesberry, against defendants, City of Chicago, Mark Reno, Robert Garcia, and Mark Hein, and makes certain allegations contained in plaintiff's complaint.

2. Defendants deny each and every allegation of wrongdoing as stated in plaintiff's complaint, and, further, deny liability.

3. The parties and their respective attorneys acknowledge that settlement of this claim is not an admission of liability, or of unconstitutional or illegal conduct by or on the part of any defendant and/or the City of Chicago's future, current or former officers, agents and

employees, and shall not serve as evidence or notice of any wrongdoing by or on the part of any defendant and/or the City of Chicago's future, current or former officers, agents and employees. The parties and their respective attorneys further acknowledge that settlement is made to avoid the uncertainty of the outcome of litigation and the expense in time and money of further litigation and for the purpose of judicial economy. Plaintiff and his attorney agree that they or any firm with which said attorney is affiliated or with which said attorney may later become affiliated shall not use this settlement as notice of misconduct on the part of any defendant and/or the City of Chicago's future, current or former officers, agents and employees, or for any other purpose in any other litigation, and that any such use is inconsistent with the terms of this Release and Settlement Agreement.

4. In consideration of the hereinafter indicated settlement entered pursuant to this Release and Settlement Agreement, and upon advice of counsel, plaintiff, Paul Winesberry, agrees to dismiss with prejudice all of his claims against defendants, City of Chicago, Mark Reno, Robert Garcia, and Mark Hein, with each side bearing its own costs and attorneys' fees.

5. Plaintiff, Paul Winesberry, accepts a settlement from defendant, City of Chicago, in the total amount of TWELVE THOUSAND AND NO/100 (\$12,000.00) DOLLARS, with each side bearing its own costs and attorneys' fees.

6. The City of Chicago agrees to pay plaintiff the total settlement amount within sixty (60) days after receipt by the Corporation Counsel's Office of a file-stamped copy of the Agreed Order of Dismissal. This sum shall be payable solely by the City of Chicago, and plaintiff and/or his attorney agree that they will not seek payment from any source other than the

City of Chicago. The settlement check will be made payable to plaintiff, his attorney, and lien claimants, if any, of which the City has notice.

7. In consideration of this settlement entered pursuant to this Release and Settlement Agreement, and upon advice of counsel, plaintiff agrees to indemnify and hold harmless the City of Chicago, and its future, current, or former officers, agents and employees including, but not limited to, the individual defendants, Mark Reno, Robert Garcia, and Mark Hein, from any claims, losses, damages or expenses, including attorneys' fees and costs, incurred, or which may be incurred, by reason of any lien or any other claim or interest held by any person, entity or corporation against any moneys received or to be received by plaintiff under this settlement entered pursuant to this Release and Settlement Agreement.

8. Plaintiff, upon advice of counsel, understands and agrees that in consideration of the settlement entered pursuant to this Release and Settlement Agreement, plaintiff does hereby release and forever discharge on behalf of himself and his heirs, executors, administrators and assigns, all claims he had or has against the individual defendants, Mark Reno, Robert Garcia, and Mark Hein, and the City of Chicago, and its future, current or former officers, agents and employees, including but not limited to all claims he had, has or may have in the future, under local, state, or federal law, arising either directly or indirectly out of the incident which was the basis of this litigation, and that such release and discharge also is applicable to any and all unnamed and/or unserved defendants.

9. This Release and Settlement Agreement and any documents that may be executed under paragraph 12 herein contain the entire agreement between the parties with regard to the settlement of this action, and shall be binding upon and inure to the benefit of the parties hereto,

jointly and severally, and the heirs, executors, administrators, personal representatives, successors, and assigns of each.

10. This Release and Settlement Agreement is entered into in the State of Illinois and shall be construed and interpreted in accordance with its laws. Terms contained herein shall not be construed against a party merely because that party is or was the principal drafter.

11. In entering into this Release and Settlement Agreement, plaintiff represents that he has relied upon the advice of his attorney, who is the attorney of his own choice, and that the terms of this Release and Settlement Agreement have been interpreted, completely read and explained to him by his attorney, and that those terms are fully understood and voluntarily accepted by plaintiff. Plaintiff also represents and warrants that no other person or entity has or has had any interest in the claims or causes of action referred to herein, that he and his attorney have the sole right and exclusive authority to execute this Release and Settlement Agreement and receive the sums specified herein, and that they have not sold, assigned, transferred, conveyed, or otherwise disposed of any of the claims or causes of action referred to herein.

12. All parties agree to cooperate fully and to execute a Stipulation to Dismiss and any and all supplementary documents and to take all additional actions which are consistent with and which may be necessary or appropriate to give full force and effect to the basic terms and intent of this Release and Settlement Agreement.

**AFFIDAVIT**

I, ANDREW WALLER, being duly sworn, state as follows:

**Background**

1. I am a Special Agent with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), United States Department of Justice, Chicago Field Division, and have been so employed since 2014. My duties include investigating criminal violations of federal firearms laws, including, but not limited to, Title 18, United States Code, Sections 922(g), 922(a)(1)(A), 924(c)(1)(A), along with violations of narcotics laws, including, but not limited to, Title 21, United States Code, Section 841(a)(1). Through my training, education, and experience, I have become familiar with the manner in which firearms are acquired, stored, and distributed, and the methods of payment for those firearms.

2. This affidavit is submitted in support of a criminal complaint alleging that Shaquille Tyler has violated Title 18, United States Code, Sections 2114(a) and 924(c). Because this affidavit is being submitted for the limited purpose of establishing probable cause in support of a criminal complaint charging Tyler with robbing a person having lawful charge, control, or custody of money of the United States, and, in effecting such robbery, putting that person's life in jeopardy by the use of a dangerous weapon, namely a firearm, I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I

believe are necessary to establish probable cause to believe that the defendant committed the offenses alleged in the complaint.

3. The statements contained in this Affidavit are based on: (a) my personal participation in this investigation; (b) information provided to me by other federal and local law enforcement officers; (c) my training and experience and the training and experience of other law enforcement agents with whom I have spoken; and (d) consensual audio and video recordings as well as physical surveillance.

4. Throughout this affidavit, I reference specific times that certain events occurred. These approximate times are to the best of my knowledge, and represent information based on times reported by agents conducting surveillance and based on times recorded on ATF's electronic recording equipment.

**The Confidential Informant's Introduction to "Bishop"**

5. Between July 19 and July 22, 2015, an ATF Confidential Informant, CI-1<sup>1</sup>, participated in a series of recorded phone calls and exchanged a series of text messages with Cameron Hannah, from whom he had previously made a controlled purchase of a firearm on July 1, 2015.<sup>2</sup> During these conversations by phone and by text message, CI-1 agreed to purchase a .45 caliber firearm with a laser sight attached to the gun for \$600. On July 22, 2015, Hannah informed CI-1 that he did

---

<sup>1</sup> CI-1 does not have any criminal convictions. However, CI-1 does have a retail theft case pending in Will County, Illinois, and is assisting ATF in various investigations in the hope that he will receive consideration in his pending case. CI-1 has been assisting ATF in various investigations since May 4, 2015. ATF has paid CI-1 \$6800 in exchange for his assistance in various investigations to date.

<sup>2</sup> As a result of the July 1, 2015 transaction, Hannah was charged by criminal complaint with a violation of 18 U.S.C. 922(g) on July 28, 2015. That case is pending under case number 15 CR 456.

not actually have the gun he had offered to sell CI-1, but that he was brokering the deal, and the individual who actually possessed the firearm wanted to deal directly with CI-1 rather than going through Hannah. Hannah indicated that the individual who possessed the firearm he had offered to sell to CI-1 could be reached at the mobile number (XXX) XXX-3804.

6. On or about July 22, 2015, at approximately 8:07 p.m., CI-1 placed a phone call to the telephone number provided by Hannah. The person who answered the phone, and who subsequently identified himself as "Bishop," had a conversation with CI-1 in which they agreed that CI-1 would purchase the same .45 caliber firearm that CI-1 had previously discussed with Hannah from "Bishop" for \$600. After the phone call, CI-1 and "Bishop" exchanged text messages in which they agreed to complete the sale of the firearm on the afternoon of July 23, 2015.

7. On or about July 23, 2015, at approximately 1:00 p.m., "Bishop" called CI-1 and stated that he sold the firearm he had promised to sell to CI-1 to somebody else for \$800 because that person had offered more money. CI-1 asked "Bishop" to save CI-1's phone number and to contact CI-1 if he had any more firearms for sale. "Bishop" agreed to do so and told CI-1 that he would have additional firearms for sale in the near future.

#### **The Planned Purchase of Four FN five-seven Firearms**

8. On or about July 26, 2015, at approximately 6:49 p.m., CI-1 contacted "Bishop" by text message and inquired whether "Bishop" had any firearms for sale.

"Bishop" responded that his friend had some "FN five sevens"<sup>3</sup> but that he was selling them in pairs. CI-1 inquired what the price of the firearms was, and, at approximately 7:17 p.m., "Bishop" responded by text message that the price was "18 for two."<sup>4</sup> At approximately 9:21 p.m., in response to a CI-1's request, "Bishop" sent CI-1 a photograph of one of the firearms he was purportedly selling. Agents who have viewed this photograph believe that the photograph depicts a black FN five-seven pistol.

9. On or about July 27, 2015, at approximately 11:00 a.m., CI-1 contacted "Bishop" by text message, stating that he had the funds to purchase the firearms and asking how many firearms "Bishop" had available to sell. Between 12:58 p.m. and 1:27 p.m., CI-1 and "Bishop" exchanged a number of text messages in which "Bishop" stated that he had four firearms available for CI-1 to purchase at a total price of \$3600, and CI-1 agreed to purchase all four firearms.

10. On or about July 27, 2015, at approximately 1:30 p.m., CI-1 placed a telephone call to "Bishop" and stated that he was making his way to Chicago Heights where he could meet with "Bishop" to purchase the four firearms. "Bishop" asked CI-1 to let him know when he had his money and was ready to complete the sale.

---

<sup>3</sup> Agents understand "FN five sevens" to refer to a particular type of pistol known as an "FN five-seven."

<sup>4</sup> Agents understand this to mean that "Bishop" was offering the firearms at a price of \$1800 for a set of two FN five-seven pistols.

11. Shortly after this phone call, agents equipped CI-1 with video and recording equipment and provided CI-1 with \$3600 in pre-recorded funds. Agents also placed video and recording equipment in CI-1's vehicle.

**"Bishop" Robs the Confidential Informant**

12. On or about July 27, 2015, at approximately 4:00 p.m., CI-1 placed a phone call to "Bishop" and stated that he would be in "Bishop's" area soon. CI-1 and "Bishop" agreed to meet at "the apartment buildings on 15<sup>th</sup> street." Agents understood this location to refer to apartment buildings located at the intersection of 15<sup>th</sup> Street and Donovan Drive in Chicago Heights.

13. At approximately 4:41 p.m., "Bishop" placed a phone call to CI-1 which CI-1 did not answer. At approximately 4:42 p.m., CI-1 called "Bishop" back, and "Bishop" asked CI-1 to meet at a slightly different location which was an apartment building approximately one block away from where CI-1 was parked. CI-1 agreed to meet at the nearby location, which was approximately 400 West 14<sup>th</sup> Place, and drove to that location.

14. At approximately 4:42 p.m., agents observed an individual approach CI-1's vehicle on foot, open the rear door, and sit in the backseat of CI-1's vehicle. CI-1 told the individual who entered CI-1's car that he could place the firearms CI-1 was purchasing in a black bag that CI-1 had placed in CI-1's vehicle. In response, the individual in CI-1's vehicle explained that he did not have the firearms with him because he did not want to be seen walking down the street with them. The

individual stated that the firearms were in a nearby car, and told CI-1, "I'm finna run back over there and get the shit."

15. Agents conducting surveillance observed that the individual exiting CI-1's vehicle did not go to a nearby car to retrieve any firearms, but instead walked behind a nearby detached garage just south of where CI-1's vehicle was parked.

16. At approximately 4:44 p.m., the same individual who had entered CI-1's vehicle minutes earlier walked back to CI-1's car and entered the backseat. The individual asked CI-1 to "pull off" and directed CI-1 to drive to another nearby building.

17. At approximately 4:48 p.m., the individual in the backseat of CI-1's vehicle directed CI-1 to park outside a brown building located approximately one block away at 1500 Donovan Drive, Chicago Heights. After CI-1 parked the car, the individual, who was still seated in the backseat of CI-1's vehicle directly behind CI-1, placed a handgun against CI-1's neck and stated: "Motherfucker, eat that shit!"

18. CI-1 replied "Ahrigh, you gonna rob me, ahrigh." The individual replied, "C'mon man, where the money at?" CI-1 responded, "It's right here, you aint' gotta rob me, it's right here." The individual repeatedly asked CI-1 to use CI-1's "right hand" to hand him the money, and warned CI-1, "don't make me use this motherfucker," in apparent reference to the firearm he was pointing at CI-1's neck.

19. CI-1 handed the individual the \$3600 in pre-recorded funds that ATF had provided to CI-1 for CI-1 to purchase the firearms. The individual in the

backseat pointing his firearm at CI-1's neck then ordered CI-1 to remove the keys from the ignition, and to place CI-1's hands on the ceiling of CI-1's vehicle.

20. Agents monitoring a live audio feed of the conversation between CI-1 and the individual from whom CI-1 was supposed to purchase the firearms surmised that a robbery was taking place and immediately converged on the scene. As they did so, the individual who had just robbed CI-1 exited CI-1's vehicle and pointed his gun at agents. Agents opened fire and wounded the robber, striking him in the knee.

21. The robber was taken into custody. Agents arriving on scene immediately after the robber was handcuffed observed that on the ground next to the robber was a Bersa Thunder 380 firearm bearing serial number B17304 that the robber had apparently dropped. Also on the ground next to the robber was a stack of United States currency totaling \$3600.<sup>5</sup>

#### The Identification of "Bishop" as Shaquille Tyler

22. Prior to July 27, 2015, agents conducted a LexisNexis public records search on the phone number (XXX) XXX-3804, which is the phone number that CI-1 was using to contact "Bishop." The public records search revealed that this phone number was used by Shaquille Tyler.

---

<sup>5</sup> Agents compared the bills recovered from the robber to photocopies of the prerecorded bills that ATF provided to CI-1 in order to complete the controlled purchase of firearms. By comparing the serial numbers of the recovered bills to the serial numbers on the photocopies, agents were able to confirm that the \$3600 recovered from the ground next to the robber consisted of the same \$3600 in prerecorded funds that agents had provided to CI-1.

23. On July 27, 2015, after the robber was shot, he was immediately transported to a nearby hospital to receive treatment for his gunshot wound. In the ambulance ride to the hospital, and again at the hospital, agents heard the robber state that his name was "Shaquille Tyler."

24. Agents who conducted live surveillance of the events of July 27, 2015, and who viewed the video recording obtained from CI-1's vehicle and from CI-1's covert video recording equipment, have compared images of the robber to booking photographs of Shaquille Tyler, and believe that the person who is in custody and who committed the robbery is in fact Shaquille Tyler.

### Conclusion

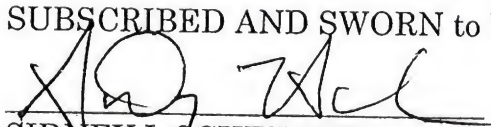

25. Based on the foregoing, Your Affiant respectfully submits that there is probable cause to believe that on July 27, 2015, SHAQUILLE TYLER did rob a person having lawful charge, control, or custody of money of the United States, and, in effecting such robbery, put that person's life in jeopardy by the use of a dangerous weapon, namely a firearm.

FURTHER AFFIANT SAYETH NOT.

**PRELIMINARY STATEMENT FROM WALK-THROUGH:**

1<sup>st</sup> Deputy Chief Mitchell, Supervisor Hitt, Director of Public Affairs Merritt, and Investigator Killen responded to the scene. The following information was provided by On-Scene Incident Commander Constantine Andrews during a walk-through of the scene; it is based upon multiple layers of hearsay and is not verbatim. At approximately 2047 hours, OCIC Andrews conducted the walk-through.

OCIC Andrews explained that Officers Reno and Williams were detailed to the ATF Joint Task Force and were conducting an undercover buy of illegal firearms using a confidential informant (NFI), who would buy the firearms from Shaquille Tyler. Officers Reno and Williams observed the confidential informant drive a vehicle south on Donovan Drive and then west into the 15<sup>th</sup> Street and 15<sup>th</sup> Place. The confidential informant then parked his vehicle in the alley behind the apartment building at 1500 Donovan Drive. The officers also observed Mr. Tyler sitting in the backseat directly behind the

confidential informant. After the confidential informant parked his vehicle in a parking spot behind the apartment building Officers Reno and Williams heard an emergency call from the confidential informant. Officer Reno drove their unmarked vehicle into the alley and stopped behind the confidential informant's vehicle and Officers Reno and Williams exited their vehicle. Officer Reno exited the vehicle with his weapon drawn and identified himself as a police officer. Mr. Tyler exited the vehicle from the rear seat on the driver's side holding a semi-automatic handgun. Officer Reno ordered Mr. Tyler to drop the firearm. Mr. Tyler pointed his firearm at Officer Reno, who discharged his firearm at Mr. Tyler. Officer Reno retreated and when Mr. Tyler did not drop his firearm Officer Reno discharged his firearm several additional times at Mr. Tyler. Mr. Tyler was struck and subsequently taken into custody.

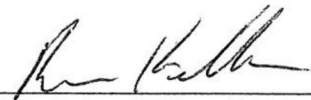

Mr. Tyler was transported to St. James Hospital in Chicago Heights, Illinois, where he was treated for a gunshot wound which was lodged in his right femur. OCIC Andrews stated that the confidential informant may have also been struck with either a bullet or shrapnel. Mr. Tyler's firearm was recovered.

#### **IDENTIFICATION OF WITNESSES (CPD and PUBLIC):**

OCIC Andrews stated that law enforcement personnel have not identified any witnesses to this incident.

#### **OTHER RELEVANT INFORMATION:**

Multiple Law Enforcement Agencies responded to this incident. They included the ATF, Illinois State Police Evidence Technicians, the Illinois State Police Public Integrity Task Force, the Chicago Heights Police Department, and the Chicago Police Department. OCIC Andrews stated that the ATF will conduct the investigation and complete the related paperwork regarding the criminal investigation of Mr. Tyler. The ATF also inventoried Officer Reno's firearm. The Illinois State Police Evidence Technicians are responsible processing the crime scene and the State Police Public Integrity Task Force will investigate the officer-involved shooting. The Chicago Heights Police Department will complete any related, internal memos. The Chicago Police Department will complete the Tactical Response Reports, the Officers' Battery Report, and the General Offense Case Report.

31

1 KILLEN: Okay. And then uh you're aware that this  
2 statement has the standing of an official  
3 Department report. And that any intentional  
4 falsification of any answer to any question would  
5 be in direct violations of rules and regulations?

6 P.O.RENO: Yes.  
7

8 KILLEN: All right and given that I would like to remind  
9 you that failure to provide a complete and  
10 accurate account of this incident could result in  
11 a finding of Rule 14 with discipline leading up  
12 up to and including separation do you understand  
13 from the Chicago Police Department do you  
14 understand that?

15 P.O.RENO: Yes.  
16

17 KILLEN: Okay. You're also aware that there's no  
18 allegations made against you at this time  
19 correct?

20 P.O.RENO: Yes.  
21

22 KILLEN: Okay and you're, are you prepared now to give a  
23 statement?

24 P.O.RENO: I am.  
25

26 KILLEN: So on uh the date of this incident which is 27  
27 July 2015 at approximately 1700 hours what was  
28 your duty status and assignment?

29 REBHOLZ: Read that.

30 P.O.RENO: I'm goin' to uh read a statement given to me,  
31 quickly. This statement's not being given  
32 voluntarily but under duress. I am only giving

1           this statement at this time because I know that  
2           I, I know that I will loose my job if I refuse  
3           the direct order given to me.  
4

5 KILLEN:    So 27 July 2015 at approximately 1700 hours what  
6           was your duty status?

7 P.O.RENO:  Um my duty status is I was uh detailed to uh ATF  
8           Task Force.  
9

10 KILLEN:    Okay so you're on duty?

11 P.O.RENO:  Correct.  
12

13 KILLEN:    Uh what time did you start your tour of duty that  
14           day?

15 P.O.RENO:  Uh 8, 8 AM.  
16

17 KILLEN:    Okay so 0800 hours on 27<sup>th</sup> is your start time?

18 P.O.RENO:  Correct.  
19

20 KILLEN:    And uh do you, so you were detailed the, the ATF  
21           Task Force correct? Did you have a, did you have  
22           a beat of assignment?

23 P.O.RENO:  My beat I believe is 6571 I as in Ida.  
24

25 KILLEN:    Okay and were you assigned a partner?

26 P.O.RENO:  Not particularly but I ended up with somebody in,  
27           in the vehicle.  
28

29 KILLEN:    Okay. But the time of this actual incident you  
30           had a, again (inaudible)

31 P.O.RENO:  Right.  
32

1 KILLEN: Who'd you have?

2 P.O.RENO: Uh Officer Perry Williams.

3

4 KILLEN: Okay. Is, is he a like a regular partner of  
5 yours?

6 P.O.RENO: He's also uh detailed to the ATF.

7

8 KILLEN: Okay. You work on a team I take it correct?

9 P.O.RENO: Correct.

10

11 KILLEN: Okay. Um uniformed or plain clothes?

12 P.O.RENO: Plain clothes.

13

14 KILLEN: Okay do you remember what you were wearing that  
15 day?

16 P.O.RENO: Uh I was wearing a t-shirt and uh gray khaki  
17 pants.

18

19 KILLEN: Okay. You remember what color shirt you had on?

20 P.O.RENO: Uh it was a black Harley Davidson t-shirt.

21

22 KILLEN: Okay. Uh protective vest?

23 P.O.RENO: I did not have one on.

24

25 KILLEN: Okay. Um (clears throat) do you remember what  
26 Officer Williams was wearing?

27 P.O.RENO: I believe he had on a collared shirt. May have  
28 been maroon and I'm not sure the pants, maybe  
29 blue jeans.

30

31 KILLEN: Okay. So then going to this incident, on 27<sup>th</sup>  
32 July 2015 approximately 1700 hours uh at 1500

1 Donovan Drive in the Chicago Heights, Illinois  
2 you were involved in a shooting correct?

3 P.O.RENO: Yes.

4

5 KILLEN: Could you just run me through what happened.  
6 Start from the beginning.

7 P.O.RENO: Uh on the day in question we were asked by a  
8 separate group, not our own individual group of  
9 ATF if we could assist them because they were  
10 short man power. Um at that time we informed the  
11 person that asked us that they'd have to clarify,  
12 clear it with our supervisor. Our supervisor  
13 agreed to it and uh shortly after that they said  
14 uh can you meet us in Home Depot parking lot in  
15 Chicago Heights on Halsted just west of uh just  
16 south of I80.

17

18 KILLEN: Okay. And were you aware what they wanted you to  
19 do?

20 P.O.RENO: Yes.

21

22 KILLEN: And what was that?

23 P.O.RENO: Uh the team in question was going to attempt to  
24 use a confidential informant to buy four handguns  
25 for 3,600 dollars from who they believe they know  
26 who the two individuals were.

27

28 KILLEN: Okay. And you learned this information when?

29 P.O.RENO: When we got to the, the briefing.

30

31 KILLEN: At Home Depot?

32 P.O.RENO: On Halsted, yes.

1

2 KILLEN: Okay. So detailed to ATF Task Force, who would  
3 be your super, your regular supervisor?

4 P.O.RENO: Uh through Chicago?

5

6 KILLEN: Hmm huh.

7 P.O.RENO: Sheamus Mannion.

8

9 KILLEN: Okay. And then do you report to any ATF agent at  
10 all, supervisor?

11 P.O.RENO: Uh Jeffrey Sisto.

12

13 KILLEN: Okay. So did you, did you and um Officer  
14 Williams go together then to Home Depot?

15 P.O.RENO: We did not.

16

17 KILLEN: Did you go by yourself?

18 P.O.RENO: Yes.

19

20 KILLEN: Okay. Is uh, is Officer Williams part of your  
21 regular team? Or is he with the team that you're  
22 helpin' out?

23 P.O.RENO: No he's part of my regular team.

24

25 KILLEN: Okay. So 'bout what time did you, what time did  
26 you get to the Home Depot?

27 P.O.RENO: I believe they asked us to get there at 4. I  
28 think I arrived at about maybe 3:40.

29

30 KILLEN: Okay.

31 P.O.RENO: Um sat patiently until they gave the briefing.

32

1 KILLEN: Okay and then after the briefing what happens?  
2 P.O.RENO: Uh we were asked by the ATF Supervisor John  
3 Biemeret to see if we could go setup on uh  
4 surveillance. Um I guess I had to look at, I can  
5 sit on the street and not too many people make  
6 you know, make waves about me sittin' there. So  
7 --  
8  
9 KILLEN: Right.  
10 P.O.RENO: -- so we went sat up on the street and we waited  
11 for them to arrive and uh engage in the  
12 transaction.  
13  
14 KILLEN: And you, where did you setup?  
15 P.O.RENO: I setup just southeast of the location of where  
16 the, the uh shooting happened.  
17  
18 KILLEN: Okay and I was, I was out there that night so the  
19 shooting occurred at that alley right there off  
20 that apartment building correct?  
21 P.O.RENO: Yes just on Donovan well the, the alley is just  
22 off Donovan just west of Donovan. And then I  
23 think the address is somewhere around 460 or 462  
24 Donovan. Or no excuse me it woulda been 15<sup>th</sup>  
25 Street.  
26  
27 KILLEN: Right, okay. Okay. But it's, it's the southeast  
28 corner basically  
29 P.O.RENO: Yes it's like 1500 Donovan.  
30  
31 KILLEN: Okay so and did you, did you ride over with  
32 Officer Williams?

1 P.O.RENO: I did.  
2  
3 KILLEN: Were you the driver or the passenger?  
4 P.O.RENO: I was the driver.  
5  
6 KILLEN: Did you and Officer Williams drive over with  
7 anybody else?  
8 P.O.RENO: No.  
9  
10 KILLEN: Were you and Officer Williams obviously you're in  
11 a vehicle. You, you assigned a vehicle at the  
12 time or did you have one with you? I mean how  
13 did that work?  
14 P.O.RENO: I have a vehicle assigned to me, yes.  
15  
16 KILLEN: So Williams gets into your vehicle?  
17 P.O.RENO: That's correct.  
18  
19 KILLEN: Okay. What, whadda you have?  
20 P.O.RENO: It's a gray Ford Explorer.  
21  
22 KILLEN: Okay. Uh I'm assumin' it's unmarked?  
23 P.O.RENO: It is.  
24  
25 KILLEN: Okay. So 'bout what time did you get over to the  
26 1500 Donovan?  
27 P.O.RENO: I would say thinking back now it was probably  
28 somewhere around 4:30, maybe 4:20. But prob'ly  
29 closer to 4:30.  
30

1 KILLEN: Okay. Now do you have, with the Task Force and  
2 you're sitting there are you in radio  
3 communication with all members of that team?

4 P.O.RENO: We are. We have uh you know direct channel that,  
5 that connects us to each member. And then they  
6 also have a way that you can use our phones and  
7 you can call and you can listen to the recorded  
8 device the DCI is using.

9

10 KILLEN: Okay and did you do that?

11 P.O.RENO: We did but it wasn't workin'. So we really had  
12 no communication to know what the CI was saying  
13 inside the car.

14

15 KILLEN: Okay. Do you know where the CI initially had to  
16 meet up with uh the person he was attempting to  
17 sell guns to?

18 P.O.RENO: I believe initially they met in the Pepe's lot  
19 which was about a block west of the location and  
20 a block north on 14<sup>th</sup> which is also Route 30.

21

22 KILLEN: Did you know, so, or you knew then ahead of time  
23 that they were gonna drive over to 1500 on  
24 Donovan at some point did you?

25 P.O.RENO: No.

26

27 KILLEN: Then how did you end up there first?

28 P.O.RENO: They ended up in another location after the  
29 Pepe's.

30

31 KILLEN: Okay.

1 P.O.RENO: Then from there we were radioed that the car's  
2 moving again.  
3  
4 KILLEN: Okay.  
5 P.O.RENO: And then shortly after that I remember the CI  
6 pulling up to the briefing in his vehicle and  
7 what he looked like. I noticed that vehicle  
8 coming by us and I noticed it pull into its final  
9 resting designation.  
10  
11 KILLEN: Okay so, so just to make it not so complicated,  
12 you basically you got the teams following this  
13 guy correct?  
14 P.O.RENO: We have, we have a surveillance officer watching  
15 him right.  
16  
17 KILLEN: So you, so you, you, you know where he's goin'  
18 and that's --  
19 P.O.RENO: Right. Through our radios I can hear that, but I  
20 can't hear what the CI's sayin'.  
21  
22 KILLEN: So then, so the, the buy wasn't actually setup to  
23 be over at 1500 Donovan?  
24 P.O.RENO: No.  
25  
26 KILLEN: Okay. So all right so then and you knew what the  
27 CI looked like correct?  
28 P.O.RENO: Yes.  
29  
30 KILLEN: You knew what the CI was drivin'?  
31 P.O.RENO: Correct.  
32

1 KILLEN: Do you remember now what he was drivin'?

2 P.O.RENO: Uh was an older model gray Ford Taurus with a  
3 temporary plate.  
4

5 KILLEN: (clears throat) So when you were sittin' at 1500  
6 Donovan on the southeast corner and you saw the  
7 CI come down the street correct?

8 P.O.RENO: Hmm huh. Yes.  
9

10 KILLEN: All right did you see the person in the back seat  
11 also?

12 P.O.RENO: I did not.  
13

14 KILLEN: And you could not hear anything that's hap, bein'  
15 said inside that car correct?

16 P.O.RENO: Not a word.  
17

18 KILLEN: So what happens, so start from there, then what  
19 happens when you, when you stayin' at 1500  
20 Donovan and you see the CI's vehicle?

21 P.O.RENO: Uh the CI's vehicle pulls into, we don't know  
22 Chicago Heights very well. I don't know the area  
23 very well. I think he's pullin' into an alley,  
24 it turns out to be a parking lot. Um it's not  
25 long after that that uh Supervisor Biemeret says  
26 um it's a RIP, initiate, go save 'em.  
27

28 KILLEN: Okay. And he's, when he says --

29 P.O.RENO: Something to that affect. Something of those  
30 words to that affect.  
31

32 KILLEN: And whaddoes that mean it's a RIP?

1 P.O.RENO: That means that the our CI, our confidential  
2 informant is being held at some, he's either  
3 bein' held at gunpoint or he's being, his money's  
4 being taken forcefully from him.  
5

6 KILLEN: Okay. And then initiate means what?

7 P.O.RENO: Initiate means to get in there, you got an  
8 obligation to save this guy and do what it takes  
9 to place the gentleman into custody.  
10

11 KILLEN: Okay. So when the CI pulls in, when he pulls  
12 into the alley off of Donovan, so he comes south  
13 on Donovan correct?

14 P.O.RENO: Hmm huh, yeah.  
15

16 KILLEN: So you're lookin' north at him and you, so you're  
17 lookin' at the front of his car basically.

18 P.O.RENO: Correct.  
19

20 KILLEN: Could you see him through the windshield? Or do  
21 you recall?

22 P.O.RENO: No I don't recall.  
23

24 KILLEN: Okay. When he turned in the alley did you see  
25 the, did you see anybody else in his vehicle?

26 P.O.RENO: I didn't see anybody in his vehicle. But I knew  
27 there was a driver in there 'cause it was moving.  
28 But I couldn't see anybody's face, no. And I did  
29 not know there was another person in the vehicle  
30 at that point.  
31

1 KILLEN: Okay. When it parks and you said you thought it  
2 was an alley and it turns out to be a parkin'  
3 lot, could you still see him from where you were  
4 at?  
5 P.O.RENO: No.  
6  
7 KILLEN: Why not?  
8 P.O.RENO: They moved out of our sight. There was a garage  
9 coverin' up the edge of the alley right there.  
10  
11 KILLEN: So line of sight's gone.  
12 P.O.RENO: Correct.  
13  
14 KILLEN: And then how, how much, how soon after they pull,  
15 you loose sight of 'em does uh the ATF supervisor  
16 tell you it's a RIP?  
17 P.O.RENO: Seconds.  
18  
19 KILLEN: Okay.  
20 P.O.RENO: I'm gonna guestimate and say five seconds, ten  
21 seconds.  
22  
23 KILLEN: Okay.  
24 P.O.RENO: Somewhere in there.  
25  
26 KILLEN: And what do you do once you hear that?  
27 P.O.RENO: I proceeded to where I know the vehicle turned in  
28 and uh upon pulling in there I see his vehicle  
29 pulled in facing northbound. And then I pull I  
30 my car to the trunk of his vehicle and exit my  
31 vehicle.  
32

1 KILLEN: Okay. You drive, so when you pull up behind his  
2 vehicle is he on the passenger side or driver's  
3 side of your vehicle?  
4 P.O.RENO: He's on the passenger side.  
5  
6 KILLEN: Okay.  
7 P.O.RENO: His, his vehicle?  
8  
9 KILLEN: Hmm huh.  
10 P.O.RENO: His vehicle's on the passenger side of my  
11 vehicle.  
12  
13 KILLEN: So your front right quarter panel would be close  
14 to the trunk of his car?  
15 P.O.RENO: Yes.  
16  
17 KILLEN: Okay. And you stopped behind his car?  
18 P.O.RENO: Correct.  
19  
20 KILLEN: And whadda you do?  
21 P.O.RENO: Uh at that point I get outta my vehicle. I start  
22 to proceed around the front of the vehicle to  
23 face the driver's side of his vehicle. And when  
24 I get that far I notice an individual in the back  
25 seat. At that point I uh give him verbal command  
26 let me see your hands mother fucker. And he  
27 comes outta the vehicle with money in one hand  
28 and a firearm pointing directly at me.  
29  
30 KILLEN: Is that the first time you see him with a  
31 firearm?  
32 P.O.RENO: It's the first time I see him period.

1

2 KILLEN: Okay so you immediately see the gun?

3 P.O.RENO: Yes. Immediately that's the only thing I'm  
4 looking at.

5

6 KILLEN: What was it?

7 P.O.RENO: It was a handgun, silver shiny.

8

9 KILLEN: Semiautomatic?

10 P.O.RENO: Looked this big.

11

12 KILLEN: Okay. At that point how close are you to him?

13 P.O.RENO: 'Bout 15, 18 feet.

14

15 KILLEN: Okay and you, are you, are you in the front of  
16 your vehicle basically?17 P.O.RENO: I'm, I'm in the front of my vehicle but I'm kinda  
18 pushed on a 45 degree angle to the back seat of  
19 where the driver's, the rear driver's seat is to  
20 that vehicle.

21

22 KILLEN: Okay and so, so you're approximately 15 feet from  
23 uh for the sake of argument the, the guy in the  
24 back seat his name is Shaquille Tyler.

25 P.O.RENO: Hmm. Yes.

26

27 KILLEN: He gets outta the car immediately and points a  
28 gun at ya?29 P.O.RENO: He turns from inside the vehicle faces me with  
30 money in one hand, firearm in the other hand.

31

32 KILLEN: Door open?

1 P.O.RENO: The door's already open, yes.  
2  
3 KILLEN: Okay.  
4 P.O.RENO: And when I come around the front of the car the  
5 door's already open.  
6  
7 KILLEN: And he points it directly at you correct?  
8 P.O.RENO: Yes.  
9  
10 KILLEN: This is after your, when you say let me see your  
11 hands mother fucker?  
12 P.O.RENO: Yes.  
13  
14 KILLEN: Okay. At that point is there, if, did he fire?  
15 P.O.RENO: In fear of my life, my partner's and the CI's I  
16 did.  
17  
18 KILLEN: Did Mr. Tyler fire a gun?  
19 P.O.RENO: He did not.  
20  
21 KILLEN: If he had, would you have been able to gain any  
22 cover? My question is are you, are you stuck --  
23 P.O.RENO: Prob'ly not.  
24  
25 KILLEN: -- are you stuck in the alley between, with  
26 nothing between you and him?  
27 P.O.RENO: Yes.  
28  
29 KILLEN: So he points a gun and you're 15 feet away and  
30 you fire correct? Do you remember how many times  
31 you fired?

1 P.O.RENO: Originally I believe once and then I started  
2 retreating and then I fired multiple more times a  
3 total of five.  
4

5 KILLEN: Okay. At the time did you know you fired five  
6 times? Or did they tell you afterwards?

7 P.O.RENO: Uh I ended up markin' my own casings. So I knew  
8 how many times it was. But I, I kinda felt it  
9 was somewhere between 4 and 6.  
10

11 KILLEN: Okay. Which, which, which direction did you when  
12 you retreated?

13 P.O.RENO: Woulda been sssss southwest.  
14

15 KILLEN: So you woulda been goin', movin' away from your  
16 vehicle?

17 P.O.RENO: Yes.  
18

19 KILLEN: More, more down the alley?

20 P.O.RENO: Exactly. More west, more westbound down the  
21 alley and I was continuing to move on like a 45  
22 degree angle.  
23

24 KILLEN: Okay so the first time, so the first, the first  
25 shot you take is at Mr. Tyler immediately points  
26 a gun at you correct?

27 P.O.RENO: That's correct.  
28

29 KILLEN: And what happens, whaddoes he do? Does he come  
30 out fully outta the car?

31 P.O.RENO: He's turned facing me at that point when I fire  
32 the first shot?

1

2 KILLEN: Okay. And then you proceed southwest down the  
3 alley and you fire four more times?

4 P.O.RENO: As I'm back (inaudible) yes.

5

6 KILLEN: Okay and what happens to him then?

7 P.O.RENO: At some point he goes down on his knees and his  
8 forearms and he's still got the gun in his hand.  
9 At that point after all the shots are fired, the  
10 weapon is dropped he says I dropped it, I dropped  
11 it. And I run over and handcuff 'em.

12

13 KILLEN: Okay. And you marked your own casings?

14 P.O.RENO: I did.

15

16 KILLEN: Why?

17 P.O.RENO: Uh for evidence, preserve the evidence. And  
18 there was, I could see how many people had  
19 arrived in the first 30-seconds and I was worried  
20 about 'em bein' kicked, moved, not found.

21

22 KILLEN: Okay. I'm assumin' you had markers in your car?

23 P.O.RENO: No I went and ripped up a piece a paper.

24

25 KILLEN: Okay.

26 P.O.RENO: I had a full size sheet a paper I ripped it up,  
27 folded 'em over and then I went and found some  
28 rocks by the garage. And I grabbed the rocks,  
29 put the rocks on top of.

30

31 KILLEN: You found all five?

32 P.O.RENO: Yes.

1

2 KILLEN: All right. When you, when you fired your weapon  
3 do you remember how you were holdin' it?

4 P.O.RENO: Uh I'm not sure how to answer that.

5

6 KILLEN: One handed grip, two handed grip?

7 P.O.RENO: I think the, the first shot was fired with two  
8 hands.

9

10 KILLEN: Okay do you remember you line up your sights?

11 P.O.RENO: (inaudible) I did I think it was a point 2.

12

13 KILLEN: And then as you, as you retreat southwest and  
14 continue to fire do you remember lining up your  
15 sights?

16 P.O.RENO: I do not.

17

18 KILLEN: Do you remember if it was one hand or two handed  
19 grip?

20 P.O.RENO: I believe it was one handed and I was back  
21 pedaling goin' this way.

22

23 KILLEN: Okay. Um when you were, when you were retreating  
24 did he follow you pointin' the gun?

25 P.O.RENO: At some point the gun came out and that was when  
26 I stopped shooting.

27

28 KILLEN: Right. Bbbb, but before that moment?

29 P.O.RENO: I don't believe so but he still had it in his  
30 hand.

31

1 KILLEN: Okay. And then from the time you fire your first  
2 shot to the time you fire your second shot if you  
3 could guess, how much time passed?

4 P.O.RENO: They're pretty consecutive. I don't know maybe  
5 not even a second, maybe a second.  
6

7 KILLEN: Okay. And then you kinda just said it and I was  
8 gettin' to it, you stopped firing at Mr. Tyler  
9 why?

10 P.O.RENO: 'Cause his firearm was on the ground. He was  
11 layin' face down on the ground.  
12

13 KILLEN: Okay so no more, no more the threat's diminished?

14 P.O.RENO: The threat is diminished. The, I don't feel that  
15 myself, my partner or the CI's in danger anymore.  
16 That time I proceed back over to Mr. uh Tyler and  
17 uh start to place 'em into custody.  
18

19 KILLEN: Okay. And the CI did he ever exit the vehicle?

20 P.O.RENO: Uh upon the assisting units coming up yes.  
21

22 KILLEN: So before that he didn't?

23 P.O.RENO: I don't believe so. I had my back to the back,  
24 to that, to the, to the front door because I was  
25 handcuffing Mr. Tyler, I'm not really 100% sure  
26 when he came out.  
27

28 KILLEN: Okay. Um are you right handed or left handed?

29 P.O.RENO: I'm right handed.  
30

31 KILLEN: All right. And then the firearm that you, you  
32 discharged what was it?

1 P.O.RENO: Uh Glock 26 9 millimeter.

2

3 KILLEN: Okay on the, at the time of the incident did you  
4 carry any other firearms with you?

5 P.O.RENO: I did not.

6

7 KILLEN: All right. Um I know I asked you before uh you  
8 weren't wearin' a vest, the protective vest?

9 P.O.RENO: Uh in the covert capacity unfortunately sometimes  
10 you are put in a position where it's not  
11 appropriate to be sitting in vehicle and have a  
12 vest showing or even a bulky area on you. These  
13 people walk by and look in your vehicle to see  
14 who you are. So you know the bad people don't  
15 know any boundaries and we have to try to get you  
16 know the best tactical advantage over them if  
17 possible. I did not.

18

19 KILLEN: Gotcha. Thank you. All right and then the, the  
20 gun that Mr. Tyler dropped did you uh, did you  
21 ever handle it?

22 P.O.RENO: Never touched it.

23

24 KILLEN: Do you know if anybody other than the people who  
25 recovered it?

26 P.O.RENO: I don't think anybody handled it. I believe that  
27 Officer Williams said at some point he moved it  
28 with his foot outta the way so but it still was  
29 within the grass by Mr. Tyler.

30

31 KILLEN: Okay.

32 P.O.RENO: I don't believe anybody handled it.

1

2 KILLEN: Okay. (someone coughs) And then you, you, you  
3 turned over your pistol to the captain correct?

4 P.O.RENO: Correct.

5

6 KILLEN: Okay. Have you gotten it back yet?

7 P.O.RENO: Yes.

8

9 KILLEN: Who'd you get it back from ISP?

10 P.O.RENO: Yes.

11

12 KILLEN: All right and were you injured at all in any way?

13 P.O.RENO: I was not.

14

15 KILLEN: Okay. What about the CI was he injured?

16 P.O.RENO: I believe he was.

17

18 KILLEN: Okay. Do you know how?

19 P.O.RENO: I don't exactly because I don't know if there's  
20 been any medical you know given, put out there of  
21 what, what actually happened to 'em.

22

23 KILLEN: Do you know where you struck Mr. Tyler?

24 P.O.RENO: Uh I believe it was in the right femur. Thigh  
25 area.

26

27 KILLEN: Okay. Anything?

28 MORLEY: Just a couple questions. Uh the vehicle that  
29 you're assigned is that through ATF or is that  
30 through CPD?

31 P.O.RENO: Through ATF.

32

1 MORLEY: Okay I just wanted to clarify that. And then can  
2 you do me a favor and spell the name of the  
3 supervisors that you had mentioned earlier on  
4 your supervisor with CPD.

5 P.O.RENO: My supervisor for CPS is Sheamus S H E A M U S,  
6 Mannion, M A N N I O N.  
7

8 MORLEY: Do you know the star number?

9 P.O.RENO: I do not.  
10

11 MORLEY: Okay and then the ATF supervisor?

12 P.O.RENO: Uh Jeffrey Sisto but he wasn't my supervisor that  
13 day.  
14

15 MORLEY: Okay.

16 P.O.RENO: Or in the, during this incident.  
17

18 MORLEY: Okay how's Sisto spelled?

19 P.O.RENO: Sisto is Jeffrey, J E F F R E Y, and then S I S T  
20 O.  
21

22 MORLEY: Okay and then your supervisor on the date of the  
23 incident?

24 P.O.RENO: Was John Biemeret. And John is J H, J O H N and  
25 can I ask the ATF personnel if they know the  
26 proper spelling of Biemeret because I don't know  
27 the proper spelling of it.  
28

29 MORLEY: Sure just identify yourself.

30 RAMOS: Uh Mike Ramos, Biemeret is spelled B I E M E R E  
31 T.  
32

1 MORLEY: Okay.

2 P.O.RENO: It's, it's confusing.

3

4 MORLEY: That's fine I just wanted to know for the record

5 when they're transcribing. Um now to your

6 knowledge today when you were told by uh

7 Supervisor Biemeret that it was a RIP, I'm sure

8 you didn't know, I'm sure you didn't know then

9 why or how he knew that it was RIP. Do you know

10 today how he knew? Since I know you said the

11 radio communication was kinda off and you

12 couldn't hear what was going on --

13 P.O.RENO: Ours was off.

14

15 MORLEY: -- in the conversation.

16 P.O.RENO: I believe they heard, they heard the audio.

17

18 MORLEY: They were able to hear.

19 P.O.RENO: The CI, yes the CI had on. I believe they were

20 able to tell what was going on.

21

22 MORLEY: It was just your, your radio that --

23 P.O.RENO: Correct.

24

25 MORLEY: -- was malfunctioning.

26 P.O.RENO: It wasn't a radio it was it, it's --

27

28 MORLEY: Or the phone?

29 P.O.RENO: -- the phone, correct.

30

31 MORLEY: Okay. Okay so they obviously had good

32 information to know that it was an actual RIP?

1 P.O.RENO: To my knowledge yes.  
2  
3 MORLEY: Okay. And what side of the vehicle was Tyler on?  
4 I know he was in the rear correct?  
5 P.O.RENO: Driver's side.  
6  
7 MORLEY: Was he, he was on the driver's side. Okay I just  
8 wanted to clarify that. And when he points the  
9 weapon or comes out of the vehicle with the  
10 weapon in one hand and then the money in the  
11 other, does he fully come outta the vehicle, his  
12 full body or is he half coming outta the vehicle  
13 when you see this?  
14 P.O.RENO: No he's out. Both of his feet are out and then  
15 he's turned and he's facing me. And he's still  
16 kind of in a crouched down position. He's kinda  
17 like this.  
18  
19 MORLEY: Okay and just for the record, um he's turning to  
20 his right?  
21 P.O.RENO: Yes.  
22  
23 MORLEY: His body is turning to his right facing you in a  
24 crouched position.  
25 P.O.RENO: Correct.  
26  
27 MORLEY: And the weapon is in what hand?  
28 P.O.RENO: His right.  
29  
30 MORLEY: And the money's in his left correct?  
31 P.O.RENO: Correct.  
32

1 MORLEY: Okay so at that point when you see the weapon um  
2 in his hand you said it was pointed at you. Um  
3 your, you said you were approximately 15 feet  
4 from him?

5 P.O.RENO: Correct.  
6

7 MORLEY: And you fire your weapon in fear of your safety  
8 and those around you correct?

9 P.O.RENO: Yes.  
10

11 MORLEY: You fire once and then you retreat some you know  
12 feet back. 'Bout how far back did you retreat?

13 P.O.RENO: I'd say it's at least another 15 feet.  
14

15 MORLEY: Another 15. Why did you stop firing after that  
16 one first shot?

17 P.O.RENO: Why didn't I?  
18

19 MORLEY: Why did you stop? 'Cause you said you fired once  
20 and then there were four more. Or were they all  
21 consecutively.

22 P.O.RENO: They were pretty consecutive.  
23

24 MORLEY: Okay so there was never a pause?

25 P.O.RENO: Happened within, within a second or so. I mean  
26 it's, it's I'm, I'm starting to backup. I  
27 realize he's not getting rid of the firearm. So  
28 I'm starting to backup to try to find cover and I  
29 realize while I'm getting cover that I still need  
30 to protect myself.  
31

32 MORLEY: Okay I just wanted to clarify.

1 P.O.RENO: Yeah.  
2  
3 MORLEY: 'Cause it, it kinda sounded like it was you know  
4 you fire once and then there was --  
5 P.O.RENO: No they're --  
6  
7 MORLEY: -- somehow --  
8 P.O.RENO: -- pretty consecutive.  
9  
10 MORLEY: Okay. And then you, like you said you, you're  
11 firing as you're moving back?  
12 P.O.RENO: Yes.  
13  
14 MORLEY: And you're firing because he's not dropping the  
15 weapon?  
16 P.O.RENO: Correct.  
17  
18 MORLEY: Now he drops his weapon before you stop firing or  
19 after you stop firing?  
20 P.O.RENO: I'm gonna say it was simultaneous. I'm, I'm  
21 seeing the weapon go down and I'm stopping  
22 shooting. And at that point then you can hear, I  
23 can hear 'em say I drop it, I dropped it.  
24  
25 MORLEY: Okay. Is he --  
26 P.O.RENO: Somewhere in that, somewhere in that timeframe  
27 it's pretty, it's pretty evident that he's not  
28 gonna get another round off and I'm done  
29 shooting. Or he's not gonna get a round off and  
30 I'm done shooting.  
31  
32 MORLEY: Okay and he never did get a round?

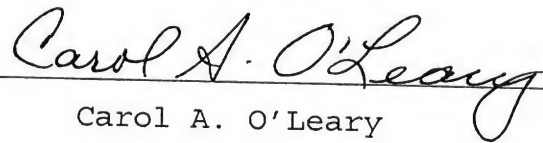

1 P.O.RENO: He did not.  
2  
3 MORLEY: Did you ever see his finger on the trigger?  
4 P.O.RENO: I couldn't tell that.  
5  
6 MORLEY: Okay. Either from the initial 15 feet to the 30  
7 feet uh total?  
8 P.O.RENO: I just see 'em pointin' it at me.  
9  
10 MORLEY: Okay. And was he in that crouched position the  
11 whole time? I know at some point he ended up on  
12 his knees as you described.  
13 P.O.RENO: Uh as I'm backin' away he goes down.  
14  
15 MORLEY: Okay. Did he ever move from the, from the  
16 initial point where he is exiting the vehicle?  
17 Did he ever move towards you?  
18 P.O.RENO: No.  
19  
20 MORLEY: To gain distance or --  
21 P.O.RENO: No.  
22  
23 MORLEY: Okay. Or to close the distance between you two?  
24 P.O.RENO: No when he went down he went down right outside  
25 the vehicle.  
26  
27 MORLEY: Okay. And where is uh your partner Officer  
28 Williams this whole time? Was he still inside  
29 the vehicle? Do you know where he's at?  
30 P.O.RENO: I'm, I'm would have to assume that he's on the  
31 passenger side of the vehicle and he doesn't have

1           the advantage that I have of seein' what's goin'  
2           on.  
3  
4 MORLEY:    But you know he's outside of --  
5 P.O.RENO:  Yes.  
6  
7 MORLEY:    -- your vehicle?  
8 P.O.RENO:  Yes.  
9  
10 MORLEY:    Okay.  And when you fire your weapon um your line  
11           of sight is clear.  There's no one else other  
12           than uh Mr. Tyler in front of you?  
13 P.O.RENO:  The CI is in front of me, but the CI is off to  
14           the left.  
15  
16 MORLEY:    So the CI's also outside of the vehicle?  
17 P.O.RENO:  No he's in the vehicle.  
18  
19 MORLEY:    He's in the vehicle.  
20 P.O.RENO:  He's in the driver's seat.  
21  
22 MORLEY:    Okay so he never moved from the driver's seat?  
23 P.O.RENO:  No.  
24  
25 MORLEY:    Okay but you, when you're firin' you know that  
26           you're firing at the subject and the CI's kind of  
27           outta line?  
28 P.O.RENO:  Yes.  
29  
30 MORLEY:    Okay.  When you're, when I know you said  
31           something about, to the affect of drop, you know  
32           let me see your hands mother fucker or something

1           to that affect. Was there anything else, did you  
2           say anything else other than that?  
3 P.O.RENO: I don't believe so.  
4  
5 MORLEY: Did Tyler ever say anything?  
6 P.O.RENO: Not until I heard him say I dropped it, I dropped  
7           it and then at some point he said I'm sorry.  
8  
9 MORLEY: Okay. And on that day was uh your weapon fully  
10          loaded?  
11 P.O.RENO: Yes.  
12  
13 MORLEY: Okay. That's all I have.  
14 KILLEN: All right. Um (clears throat) anything you'd  
15          like to add?  
16 P.O.RENO: No just to say that uh I fired my weapon because  
17          I was in fear of my safety and my partner and the  
18          CI. And I ceased firing when the threat was

1

2 KILLEN: Okay. And on this day are you, you're on duty.

8

9 KILLEN: Okay. Do you remember what Officer Reno was  
10 wearin' that day?

11 P.O.WILLIAMS: No.

12

13 KILLEN: Okay. Um on this day the 27<sup>th</sup> of July 2015 uh you  
14 and Officer Reno ended up at 1500 Donovan Drive  
15 in Chicago Heights correct?

16 P.O.WILLIAMS: That's correct.

17

18 KILLEN: Could you explain to me from beginning how, what  
19 occurred? How you end up there.

20 P.O.WILLIAMS: Um we were um asked to help out with a uh a  
21 CI gun buy from another team.

22

23 KILLEN: Okay.

24 P.O.WILLIAMS: Um --

25

26 KILLEN: And the CI's what?

27 P.O.WILLIAMS: CI's what?

28

29 KILLEN: What does CI mean?

30 P.O.WILLIAMS: Uh confidential informant.

31

32 KILLEN: Okay.

1 P.O.WILLIAMS: Confidential informant s'posed to be makin'  
2 a gun buy um I believe four guys, a certain  
3 price.  
4  
5 KILLEN: Okay. And who asked you to help out?  
6 P.O.WILLIAMS: Um I don't remember who asked. But somebody  
7 from another team asked, we're always willin' to  
8 help out.  
9  
10 KILLEN: All right so, so the team that you were with  
11 during this incident isn't your regular team  
12 correct? Okay. So, so how, how does that work  
13 then explain it to me. So you're, you go to work  
14 and they ask you to help out and what happens  
15 from there?  
16 P.O.WILLIAMS: Um they asked, they havin' a gun buy out in  
17 suburbs, Chicago Heights and can we help out.  
18  
19 KILLEN: So whadda you do?  
20 P.O.WILLIAMS: They have a brief meeting um at a certain  
21 location and you head to that location.  
22  
23 KILLEN: All right so where was the meeting held at?  
24 P.O.WILLIAMS: Somewhere in Chicago Heights on um I don't  
25 know what street. It was like in a parking lot.  
26  
27 KILLEN: Okay. This is like the, the debriefing?  
28 P.O.WILLIAMS: Yes it is.  
29  
30 KILLEN: Okay. And during that whadda they, whaddaya  
31 learn 'bout what's goin' on?

1 P.O.WILLIAMS: They tell you everything about the  
2 particular buy, the people that's gonna be  
3 involved. Um hospital route, um if somebody gets  
4 hurt um everything.

5

6 KILLEN: Okay. Um are you given an assignment at that  
7 time?

8 P.O.WILLIAMS: Yes.

9

10 KILLEN: And what was your assignment?

11 P.O.WILLIAMS: Surveillance.

12

13 KILLEN: Okay. So your, you're just surveil the CI  
14 correct?

15 P.O.WILLIAMS: Uh huh. The CI, the meet you know just the  
16 entire deal.

17

18 KILLEN: Okay. You and Officer Reno is, is that when you  
19 guys get paired up?

20 P.O.WILLIAMS: Yes.

21

22 KILLEN: You guys are assigned to a vehicle?

23 P.O.WILLIAMS: Um separate vehicles.

24

25 KILLEN: Okay what vehicle are you in?

26 P.O.WILLIAMS: I'm in another vehicle.

27

28 KILLEN: Do you ever get in a vehicle with Reno?

29 P.O.WILLIAMS: A lot yes.

30

31 KILLEN: Okay. What kinda vehicle was that?

32 P.O.WILLIAMS: What kinda vehicle do I have or does --

1  
2 KILLEN: No.  
3 P.O.WILLIAMS: -- he have?  
4  
5 KILLEN: Vehicle you and Reno were in. Whaddoes he have?  
6 P.O.WILLIAMS: Um silver Ford Explorer.  
7  
8 KILLEN: Okay so do you get into his vehicle at the, the  
9 debriefing?  
10 P.O.WILLIAMS: Yes.  
11  
12 KILLEN: And where do you go from the de, debriefing?  
13 P.O.WILLIAMS: Um to the location um to the area of 1500  
14 Donovan, Chicago Heights.  
15  
16 KILLEN: Okay. And eventually, eventually the CI comes  
17 there correct?  
18 P.O.WILLIAMS: Yes.  
19  
20 KILLEN: Okay. So when you see the CI --  
21 P.O.WILLIAMS: Come there you mean come to the debrief or  
22 came to the location?  
23  
24 KILLEN: Both, did he come to the debriefing?  
25 P.O.WILLIAMS: Yes.  
26  
27 KILLEN: You saw 'em?  
28 P.O.WILLIAMS: Hmm huh.  
29  
30 KILLEN: You know what he looked like?  
31 P.O.WILLIAMS: Yep.  
32

1 KILLEN: Did you know what he was drivin'?

2 P.O.WILLIAMS: Yep.

3

4 KILLEN: What was he drivin'?

5 P.O.WILLIAMS: A silver Taurus.

6

7 KILLEN: Okay. So then when you saw 'em at 1500 Donovan

8 you, you recognize 'em correct?

9 P.O.WILLIAMS: Yes.

10

11 KILLEN: Did you recognize the vehicle?

12 P.O.WILLIAMS: Yes.

13

14 KILLEN: Okay. (clears throat) Did you know if the CI was

15 uh was he wired?

16 P.O.WILLIAMS: Um yes.

17

18 KILLEN: Were you able to hear anything from that wire?

19 P.O.WILLIAMS: No.

20

21 KILLEN: Why not?

22 P.O.WILLIAMS: Um there's a system called (inaudible) we

23 tried to access it and for whatever reason we

24 couldn't hear it. When we went, we did all of

25 the steps that you're supposed to do and there

26 was nothin'.

27

28 KILLEN: Okay. So at any time durin' this incident could

29 you hear what transpired inside that CI's

30 vehicle?

31 P.O.WILLIAMS: Not from (inaudible) no.

32

1 KILLEN: Okay.

2 P.O.WILLIAMS: We heard it from the um the supervisor who  
3 was givin' a great play by play.  
4

5 KILLEN: And he's givin' play by play what over the radio?

6 P.O.WILLIAMS: Yes.  
7

8 KILLEN: Okay who, who's that? Who's that supervisor?

9 P.O.WILLIAMS: Uh his last name is Biemeret.  
10

11 KILLEN: Okay so while you're sitting at 1500 Donovan you  
12 listen to the radio and you're and Supervisor  
13 Biemeret is tellin' you what's happenin'.  
14 P.O.WILLIAMS: Right.  
15

16 KILLEN: So you're, you're up to speed for the most part?

17 P.O.WILLIAMS: Right.  
18

19 KILLEN: So the only thing you can't hear is --

20 P.O.WILLIAMS: What exactly is goin' on in the car.  
21

22 KILLEN: You can't hear the actual --

23 P.O.WILLIAMS: Right.  
24

25 KILLEN: -- CI?

26 P.O.WILLIAMS: Right.  
27

28 KILLEN: All right. So then when you're at 1500 Donovan  
29 when's the first time you see the, the CI?

30 P.O.WILLIAMS: We're parked and we see the silver um the  
31 silver Taurus go southbound on whatever street

1           that was. He turned into like a, like a parkin'  
2           lot or somethin' like that.  
3  
4 KILLEN:    Okay. Where were you guys at at that point?  
5 P.O.WILLIAMS: We were south, just south of that vehicle  
6           maybe 'bout a block away I think. We were facing  
7           westbound.  
8  
9 KILLEN:    Do you know what street you were on?  
10 P.O.WILLIAMS: No I don't.  
11  
12 KILLEN:    All right. Do you know what street the CI drove  
13           down?  
14 P.O.WILLIAMS: I don't remember what street that was. But  
15           I know he drove southbound.  
16  
17 KILLEN:    So toward you?  
18 P.O.WILLIAMS: Right.  
19  
20 KILLEN:    Okay and then --  
21 P.O.WILLIAMS: Not toward, yeah.  
22  
23 KILLEN:    In your direction?  
24 P.O.WILLIAMS: Right.  
25  
26 KILLEN:    And, and then he turned where?  
27 P.O.WILLIAMS: Uh into like a parkin' lot. Like a complex  
28           thing whatever it was.  
29  
30 KILLEN:    Okay and what happens from there?

1 P.O.WILLIAMS: Uh we're listenin' to radio traffic and we  
2 hear the instructions that um it's a real,  
3 initiate, initiate.  
4

5 KILLEN: And hearing the phrase it's a RIP what does that  
6 mean?

7 P.O.WILLIAMS: Pay is gettin' brought.  
8

9 KILLEN: And hearing the word initiate what does that  
10 mean?

11 P.O.WILLIAMS: Um that means go to that location and help  
12 that particular person in the situation.  
13

14 KILLEN: Okay. So (someone coughs) when you first see the  
15 CI drivin' on whatever street that is, could you  
16 tell if he had anybody else in the car with 'em?

17 P.O.WILLIAMS: No I couldn't tell.  
18

19 KILLEN: Okay. And then when he turns into that parking  
20 lot from that street, do you ever see anybody  
21 else other than the CI in that vehicle?

22 P.O.WILLIAMS: No.  
23

24 KILLEN: Okay. Do you ever loose sight of the vehicle  
25 before it parks?

26 P.O.WILLIAMS: Um yes.  
27

28 KILLEN: Okay and why is that? How do you loose sight of  
29 it?

30 P.O.WILLIAMS: We parked a block away it turns into a  
31 complex. When we drive on the street we can't

1           see it. When we looked down there, then we can  
2           see it.  
3  
4   KILLEN:   Okay is it, is there, is there cars blockin' you?  
5           Is there a building blockin'?  
6   P.O.WILLIAMS:  Yeah I believe it was uh a row of cars um it  
7           mighta been a car here and here and then CI's car  
8           is parked here.  
9  
10   KILLEN:   Okay.   So when he turns in the alley and you  
11           loose sight of 'em you have no idea how far into  
12           the alley it goes correct?  
13   P.O.WILLIAMS:  No.  
14  
15   KILLEN:   So as far as you know up to a certain point it  
16           coulda gone all the way down, left, correct?  
17   P.O.WILLIAMS:  Yeah if I, yeah.  
18  
19   KILLEN:   Okay.   So then the next time you see the vehicle  
20           where is it?  
21   P.O.WILLIAMS:  Parked facing northbound.  
22  
23   KILLEN:   Okay.   So you, you guys enter the alley?   You  
24           drive into the alley?  
25   P.O.WILLIAMS:  I don't know if that's an alley.   That's a -  
26           -  
27  
28   KILLEN:   You drive into the parking lot?  
29   P.O.WILLIAMS:  Yeah.  
30  
31   KILLEN:   Okay.   And you see the, CI's vehicle immediately?

1 P.O.WILLIAMS: Um yes. When, when we parked. We could  
2 hear, we see the car and we, we kinda T the car.  
3  
4 KILLEN: Okay so then, so and Officer Reno is the driver  
5 correct?  
6 P.O.WILLIAMS: Yes he is.  
7  
8 KILLEN: So you, you're the front seat passenger?  
9 P.O.WILLIAMS: Yes.  
10  
11 KILLEN: So when you see the car, the CI's car facing  
12 north would it also be on the north side of the  
13 parking lot? Is he on your right side or left  
14 side?  
15 P.O.WILLIAMS: The silver Taurus?  
16  
17 KILLEN: Hmm huh.  
18 P.O.WILLIAMS: It's on my right side.  
19  
20 KILLEN: Okay. So then Officer Reno sees the same car and  
21 he stops his vehicle?  
22 P.O.WILLIAMS: Yes.  
23  
24 KILLEN: Behind --  
25 P.O.WILLIAMS: Our vehicle.  
26  
27 KILLEN: -- behind the CI's vehicle correct?  
28 P.O.WILLIAMS: Right.  
29  
30 KILLEN: So he's like, is he like perpendicular to it?  
31 P.O.WILLIAMS: Right like a T.  
32

1 KILLEN: Would the CI if he had to could he have backed  
2 out and driven away? Or does, does Officer  
3 Reno's vehicle block 'em in?  
4 P.O.WILLIAMS: Oh uh I don't know why he would back up but  
5 yeah if he, he wouldn't be able to back up.  
6  
7 KILLEN: Okay. When you guys, when you and Officer Reno  
8 pull in the alley and you see the silver CI's  
9 Taurus parked on the north facing north, can you  
10 see anybody else in his vehicle?  
11 P.O.WILLIAMS: No.  
12  
13 KILLEN: Do you ever see anybody else in his vehicle at  
14 any time during this incident?  
15 P.O.WILLIAMS: I barely saw the CI in the vehicle 'cause  
16 the CI is leanin' back like this. Or however he  
17 has his seat. So I, I --  
18  
19 KILLEN: Is he, is he positioned in the driver's seat?  
20 P.O.WILLIAMS: Who the CI?  
21  
22 KILLEN: Yes.  
23 P.O.WILLIAMS: Yes.  
24  
25 KILLEN: Okay. So Officer Reno parks behind the CI's car.  
26 P.O.WILLIAMS: Hmm huh.  
27  
28 KILLEN: So he, he's facin' westbound.  
29 P.O.WILLIAMS: Right.  
30  
31 KILLEN: Right, the car's here right. What happens right  
32 then?

1 P.O.WILLIAMS: Uh we exit our vehicle. I go to the  
2 passenger side of that car. Um I'm lookin'  
3 around tryin' to assess the situation. Um I'm  
4 lookin' to see like if it was a robbery, is  
5 somebody runnin'. Is it a another vehicle  
6 involved. I'm lookin' around tryin' to assess  
7 the situation and that was it.  
8

9 KILLEN: Wh, where did Officer Reno go?

10 P.O.WILLIAMS: He went to the uh driver's side. I'm goin'  
11 on the passenger side, he's goin' to the driver's  
12 side.  
13

14 KILLEN: Okay. Guns drawn?

15 P.O.WILLIAMS: Yeah definitely.  
16

17 KILLEN: And for the sake of the statement, um I know I  
18 asked you what you were wearin', were you wearin'  
19 a protective vest?

20 P.O.WILLIAMS: Uh no I wasn't.  
21

22 KILLEN: Why not?

23 P.O.WILLIAMS: Uh we were in surveillance. Like when  
24 you're sittin' there in surveillance like you're  
25 on the block. So you never know who's involved  
26 and who's not. So if you're sittin' there with  
27 your vest on practically broadcastin' your  
28 position here, who you are and what's goin' on.  
29 So we didn't do that.  
30

1 KILLEN: Okay. So you guys, you and Officer Reno left  
2 your spot when, once you heard Supervisor  
3 Biemeret say this, this is a RIP?  
4 P.O.WILLIAMS: Right.  
5  
6 KILLEN: So this is, you have to go, you have to now go  
7 assist the CI correct?  
8 P.O.WILLIAMS: That's correct.  
9  
10 KILLEN: All right. You, you pull up behind 'em. You  
11 exit the vehicle. You're on the passenger side of  
12 the CI's vehicle. Are, did you see Officer Reno  
13 go to the driver's side?  
14 P.O.WILLIAMS: Yes.  
15  
16 KILLEN: Is he in your line of sight?  
17 P.O.WILLIAMS: Yes.  
18  
19 KILLEN: Okay. (clears throat) And you could bare, you  
20 said you said you barely saw the CI because the  
21 way he's seated in the vehicle?  
22 P.O.WILLIAMS: Right.  
23  
24 KILLEN: And you didn't see, for the sake of this  
25 statement his name is Shaquille Tyler. Did you  
26 see Mr. Tyler in the back seat?  
27 P.O.WILLIAMS: Uh no.  
28  
29 KILLEN: Did you hear anything?  
30 P.O.WILLIAMS: I heard shots.  
31  
32 KILLEN: And those shots are from who?

1 P.O.WILLIAMS: Uh Officer Reno.

2

3 KILLEN: At the time were you aware that that was Officer  
4 Reno firing his weapon?

5 P.O.WILLIAMS: Yes.

6

7 KILLEN: And how is that?

8 P.O.WILLIAMS: Um he announced his office and I could see  
9 him like you said line of sight and taken uh  
10 shooting.

11

12 KILLEN: So he took a shooting stance?

13 P.O.WILLIAMS: I don't know 'bout a shooting stance he  
14 shot.

15

16 KILLEN: Okay. So you have Officer Reno in your sights  
17 correct?

18 P.O.WILLIAMS: Right.

19

20 KILLEN: Officer Reno is gun in hand?

21 P.O.WILLIAMS: Yeah, um yes. I had my gun --

22

23 KILLEN: Before you hear the shots you see the gun in hand  
24 correct?

25 P.O.WILLIAMS: Yes.

26

27 KILLEN: Okay do you and you say, you heard Officer Reno  
28 announce his office. Do you recall exactly what  
29 Officer Reno said?

30 P.O.WILLIAMS: Um uh yes. Police mother fucker.

31

1 KILLEN: Okay. At that time could you see who, who  
2 Officer Reno was directing that at?  
3 P.O.WILLIAMS: No not from my.  
4  
5 KILLEN: Were any of the doors on the CI's car open?  
6 P.O.WILLIAMS: Couldn't tell. When I, when I www, when I  
7 got out the car I was lookin' towards the  
8 passenger seat. Like if you normally, somebody's  
9 robbin' somebody that's what I'm lookin' for.  
10 (inaudible)  
11  
12 KILLEN: The front passenger or the back seat?  
13 P.O.WILLIAMS: Front seat.  
14  
15 KILLEN: Okay.  
16 P.O.WILLIAMS: I don't see anybody. I'm lookin' around  
17 like where's this guy at that's robbin' who,  
18 robbin' somebody. I don't see anybody at that  
19 point.  
20  
21 KILLEN: Okay.  
22 P.O.WILLIAMS: That's where I'm at.  
23  
24 KILLEN: And then you hear, is it almost immediately you  
25 hear Officer Reno say police mother fucker?  
26 P.O.WILLIAMS: Uh it happened quick. So I can't, I don't  
27 know if it was immediate or seconds or whatever.  
28  
29 KILLEN: Okay. And so you hear that and what happens?  
30 P.O.WILLIAMS: Um well after --  
31

1 KILLEN: After you hear police mother fucker, what happens  
2 next?  
3 P.O.WILLIAMS: I hear shooting.  
4  
5 KILLEN: Okay and how many shots do you think you heard?  
6 P.O.WILLIAMS: Four, five.  
7  
8 KILLEN: Okay. Did you fire?  
9 P.O.WILLIAMS: No.  
10  
11 KILLEN: Why not?  
12 P.O.WILLIAMS: I didn't have a shot.  
13  
14 KILLEN: All right. Did you know, could you, did you know  
15 what Officer Reno was firing at at that time or  
16 who?  
17 P.O.WILLIAMS: He was firin' at the threat.  
18  
19 KILLEN: No, no but I mean could you see the target?  
20 P.O.WILLIAMS: No.  
21  
22 KILLEN: Okay. So what happens when you hear the, the  
23 shooting whadda you do?  
24 P.O.WILLIAMS: I'm lookin' for the threat and I believe I  
25 move out of his line of uh --  
26  
27 KILLEN: Fire?  
28 P.O.WILLIAMS: Yeah. Towards what he, so I could get a  
29 better angle to see and I (inaudible) shot.  
30  
31 KILLEN: Right so you don't, meaning line of fire you  
32 don't wanna put the target in the middle --

1 P.O.WILLIAMS: Right and I wanna see if there's a threat  
2 there I may have to.  
3  
4 KILLEN: When you did that did you see Mr. Tyler?  
5 P.O.WILLIAMS: Um yeah seconds after that, yeah.  
6  
7 KILLEN: Okay and what was Mr. Tyler doin' when, when you  
8 first saw 'em what was he doin?  
9 P.O.WILLIAMS: Um I don't know if he was layin' on the  
10 ground or by the back seat. Uh I don't remember.  
11  
12 KILLEN: But he's outside of the car?  
13 P.O.WILLIAMS: Yes.  
14  
15 KILLEN: Was he movin'?  
16 P.O.WILLIAMS: Um I don't think so, no.  
17  
18 KILLEN: Was he sayin' anything?  
19 P.O.WILLIAMS: Um I can't remember what exactly he said. I  
20 dropped it or somethin'.  
21  
22 KILLEN: What about the CI where was the CI?  
23 P.O.WILLIAMS: In the front seat.  
24  
25 KILLEN: All right. Um did you see the gun that the, Mr.  
26 Tyler had?  
27 P.O.WILLIAMS: Yes.  
28  
29 KILLEN: Where was it?  
30 P.O.WILLIAMS: Uh like right next to 'em.  
31  
32 KILLEN: On the ground, on the pavement?

1 P.O.WILLIAMS: Yeah.  
2  
3 KILLEN: Okay was it within arms reach?  
4 P.O.WILLIAMS: Yeah.  
5  
6 KILLEN: Do you remember the type of pis, type of gun it  
7 was?  
8 P.O.WILLIAMS: Um sss, semiautomatic uh pistol. I don't  
9 remember exact caliber.  
10  
11 KILLEN: Do you remember the finish on it?  
12 P.O.WILLIAMS: It was gray. I don't know exactly.  
13  
14 KILLEN: All right so and I know you said you heard  
15 several shots right?  
16 P.O.WILLIAMS: Hmm huh.  
17  
18 KILLEN: Um when you, when you and I know you said your  
19 line of sight uh to Officer Reno.  
20 P.O.WILLIAMS: Hmm huh.  
21  
22 KILLEN: During the shots correct?  
23 P.O.WILLIAMS: Right.  
24  
25 KILLEN: How, the best you can describe where Officer Reno  
26 was positioned in relation to the CI vehicle?  
27 P.O.WILLIAMS: Um maybe 15, 18 feet away.  
28  
29 KILLEN: Was he still on the driver's side?  
30 P.O.WILLIAMS: Oh yeah.  
31

1 KILLEN: Is he like directly perpendicular to the driver's  
2 side?  
3 P.O.WILLIAMS: No.  
4  
5 KILLEN: Where's he at?  
6 P.O.WILLIAMS: Um I don't know how to describe it, 7:00  
7 o'clock would be like.  
8  
9 KILLEN: Okay so the center, the center of the clock is  
10 the car.  
11 P.O.WILLIAMS: Right.  
12  
13 KILLEN: Reno would be to that, like 7:00 o'clock  
14 position?  
15 P.O.WILLIAMS: Right.  
16  
17 KILLEN: Okay and you said 15, 19 feet away?  
18 P.O.WILLIAMS: Right.  
19  
20 KILLEN: When Officer Reno was firing did he, did he stand  
21 still?  
22 P.O.WILLIAMS: Um he took those shots and backed up a lil  
23 bit.  
24  
25 KILLEN: When, when was the first time you were aware that  
26 the, that Mr. Tyler had a firearm?  
27 P.O.WILLIAMS: Uh when I saw 'em on the ground.  
28  
29 KILLEN: Okay. And then when you first see Mr. Tyler,  
30 he's already on the ground correct?  
31 P.O.WILLIAMS: Yes.  
32

1 KILLEN: Shooting's over?

2 P.O.WILLIAMS: Right.

3

4 KILLEN: Okay so what, what happens next then?

5 P.O.WILLIAMS: Um Re, Officer Reno comes over, uh he begins

6 uh cuffin' the subject, or he asked for some

7 cuffs. Somebody gave 'em some cuffs. He starts

8 cuffin'. As he's doin' that I kicked the gun

9 away cuz it's still in arms reach. You don't

10 know what this guy's capable of. So I kicked the

11 gun away, got 'em up um searched 'em at the rear

12 of the vehicle. Uh some more uh ATF agents came

13 in. Um they started comin' in then um Officer

14 Reno directed somebody I don't know who to uh

15 call the ambulance or medical attention,

16 whatever. And um I think that was it.

17

18 KILLEN: Other than the kickin' Mr. Tyler's pistol --

19 P.O.WILLIAMS: Hmm huh.

20

21 KILLEN: -- to the side did you handle it in any other

22 way?

23 P.O.WILLIAMS: No no one touched it. No one touched it.

24

25 KILLEN: Okay. So where, where it lays where it was in

26 the door correct?

27 P.O.WILLIAMS: Right.

28

29 KILLEN: Okay. Um did you also, did you help Officer Reno

30 mark his casings?

31 P.O.WILLIAMS: Yeah uh he, (inaudible) or whatever he was

32 like uh somebody mark those uh shell casings. So

1           we're lookin' for like um pieces of cardboard you  
2           know you never can find, find shit when you  
3           lookin' for it. So we're lookin' for cardboard  
4           pieces to put on the um casings and um it took a  
5           while. Did that. And uh I made notifications.  
6  
7   KILLEN:   Over the radio?  
8   P.O.WILLIAMS: No phone.  
9  
10   KILLEN:   What'd you do?  
11   P.O.WILLIAMS: Called uh my sergeant, called lieutenant, uh  
12               made a FOP notification and uh some other phone  
13               calls I believe.  
14  
15   KILLEN:   All right. The notification, the sergeant CPD  
16               sergeant?  
17   P.O.WILLIAMS: Yeah.  
18  
19   KILLEN:   Who's that?  
20   P.O.WILLIAMS: Uh Sergeant Mannion.  
21  
22   KILLEN:   Okay. What was the notification just shooting?  
23   P.O.WILLIAMS: Yeah it's a shootin'. We're okay. Um the  
24               um offender is doesn't look life threatenin'  
25               (inaudible) that's it.  
26  
27   KILLEN:   And goin' back to those uh Reno's casings on the  
28               ground, do uh did anybody move those casings at  
29               all?  
30   P.O.WILLIAMS: Naw.  
31

1 KILLEN: Anybody handle 'em in any way? Manipulate 'em in  
2 any way.

3 P.O.WILLIAMS: Naw just put the cardboard over it and rock  
4 so it doesn't move and that's it.

5

6 KILLEN: All right. Do you know how many there were?

7 P.O.WILLIAMS: It was at least four.

8

9 KILLEN: Were they all relatively close to each other?

10 P.O.WILLIAMS: Yeah like in a, is it diagonal, like in a  
11 diagonal like. Like an angle like.

12

13 KILLEN: That line uh coincide with Reno's movements?

14 P.O.WILLIAMS: Yeah. Backin' up.

15

16 KILLEN: Okay. All right did anybody, anybody get over  
17 the radio and get an ambulance?

18 P.O.WILLIAMS: Uh yeah, yeah cuz they showed up pretty  
19 fast.

20

21 KILLEN: Do you know who?

22 P.O.WILLIAMS: I don't know.

23

24 KILLEN: Okay. Um who, who gave Reno the handcuffs do you  
25 know?

26 P.O.WILLIAMS: I don't remember that.

27

28 KILLEN: It wasn't you?

29 P.O.WILLIAMS: It wasn't.

30

31 KILLEN: All right. You weren't injured at all right?

32 P.O.WILLIAMS: No.

1  
2 KILLEN: All right and I know I already asked but just one  
3 more time you didn't fire correct?  
4 P.O.WILLIAMS: No I didn't.  
5  
6 KILLEN: And the reason why is?  
7 P.O.WILLIAMS: I didn't have a shot.  
8  
9 KILLEN: Okay. Um do you, did you know at the time if uh  
10 Mr. Tyler fired his weapon at Officer Reno?  
11 P.O.WILLIAMS: No I did not know.  
12  
13 KILLEN: So at the time then all the shots you heard you  
14 knew at the time that it came from Officer Reno  
15 correct?  
16 P.O.WILLIAMS: That's correct.  
17  
18 KILLEN: Okay. Anything?  
19 MORLEY: Uh other than you and Officer Reno were you the  
20 only two from your team that participated in this  
21 incident?  
22 P.O.WILLIAMS: Um (inaudible) yeah I think we was the only  
23 one from our team, our group.  
24  
25 MORLEY: And then how many other officers, agents  
26 participated overall?  
27 P.O.WILLIAMS: I don't know the total but it had to be at  
28 least 10.  
29  
30 MORLEY: At least ten. But during um your encounter when  
31 you were told to move in, uh with the CI and  
32 Tyler were you the only two that were there?

1 P.O.WILLIAMS: Say that again.

2

3 MORLEY: During your encounter with the CI, which then  
4 leads into the shooting were you and Officer Reno  
5 the only two officers present?

6 P.O.WILLIAMS: Dur, yeah we were the only two.

7

8 MORLEY: The only two. And then obviously once the uh  
9 firing took place, other off, the other agents or  
10 officers came on scene correct?

11 P.O.WILLIAMS: That's right. Hmm huh.

12

13 MORLEY: Okay. And you explained that you couldn't see if  
14 there was anyone else in the vehicle other than  
15 the CI in the driver's seat?

16 P.O.WILLIAMS: Right.

17

18 MORLEY: Were these windows tinted or?

19 P.O.WILLIAMS: They weren't tinted.

20

21 MORLEY: They weren't tinted.

22 P.O.WILLIAMS: Hmm hmm.

23

24 MORLEY: You just couldn't see anyone?

25 P.O.WILLIAMS: Naw I think that again you're assessin' the  
26 situation and it's really quick. And you're  
27 lookin' like if somebody's gonna rob you lookin'  
28 like is there somebody runnin' away. Is there  
29 another offender involved. Um is there another  
30 vehicle involved. You're lookin' and you're  
31 focused on you know that, you're lookin' around.  
32 And I didn't --

1  
2 MORLEY: You just didn't see any --  
3 P.O.WILLIAMS: It was like a surprise. Yeah it was like a  
4 shock almost.  
5  
6 MORLEY: Do you recall what Tyler was wearing?  
7 P.O.WILLIAMS: No. No.  
8  
9 MORLEY: And when you heard the uh the shots --  
10 P.O.WILLIAMS: Hmm huh.  
11  
12 MORLEY: -- you explained that you knew that it was  
13 Officer Reno firing his weapon.  
14 P.O.WILLIAMS: Hmm huh.  
15  
16 MORLEY: How exactly did you know? Did you see muzzle  
17 flashes coming from his gun? Did you see smoke?  
18 How exactly did you know that it was him firing?  
19 P.O.WILLIAMS: Um I guess the way that you know somebody  
20 makes a noise on this side of you, you can kinda  
21 tell that it's comin' from that side.  
22  
23 MORLEY: So it's based on what you're hearing?  
24 P.O.WILLIAMS: Right.  
25  
26 MORLEY: And where it was coming from.  
27 P.O.WILLIAMS: Right.  
28  
29 MORLEY: And where Officer Reno was standing?  
30 P.O.WILLIAMS: Right.  
31  
32 MORLEY: You didn't see muzzle flashes or the smoke?

1 P.O.WILLIAMS: No 'cause again if it is a threat, I'm not  
2 gonna be lookin' at his gun. I'm gonna be  
3 lookin' for that threat.  
4  
5 MORLEY: Okay. And the first time that you saw Tyler was  
6 after the shooting?  
7 P.O.WILLIAMS: After the shooting.  
8  
9 MORLEY: Okay. And that was also the first time that you  
10 saw the gun.  
11 P.O.WILLIAMS: Right.  
12  
13 MORLEY: Which was on the ground?  
14 P.O.WILLIAMS: Right.  
15  
16 MORLEY: 'Bout how far away from Tyler was the gun?  
17 P.O.WILLIAMS: A foot if that. Like right next to 'em.  
18  
19 MORLEY: Next to 'em?  
20 P.O.WILLIAMS: Right.  
21  
22 MORLEY: Okay. And was that door, the passenger door open  
23 when you, when you came around the vehicle do you  
24 recall?  
25 P.O.WILLIAMS: I don't know for sure. I think it was  
26 opened.  
27  
28 MORLEY: And I'm talkin' --  
29 P.O.WILLIAMS: Yeah it was open.  
30  
31 MORLEY: -- 'bout the rear --  
32 P.O.WILLIAMS: The rear passenger. Yeah it was open.

1

2 MORLEY: On the driver's side?

3 P.O.WILLIAMS: It was open.

4

5 MORLEY: Okay. And when you hear the uh, the gun fire was  
6 it all in rapid succession or were there any  
7 pauses?8 P.O.WILLIAMS: Um it was real fast. Um it was like one  
9 shot and then it wasn't a pause. It was, it  
10 wasn't in quick succession. But it wasn't like a  
11 second pause or somethin' like that.

12

13 MORLEY: Okay. And when you saw the uh, when you saw  
14 Tyler on the ground can you, can you explain  
15 exactly how he was laying?

16 P.O.WILLIAMS: I can't. Um --

17

18 MORLEY: Was he face forward, on his side? Was he on his  
19 back?

20 P.O.WILLIAMS: Um I don't remember.

21

22 MORLEY: Could you see his hands? Cause I know you stated  
23 that you kicked the gun away um to eliminate the  
24 possibility of --25 P.O.WILLIAMS: I believe he was facin' towards the uh trunk  
26 of the vehicle.

27

28 MORLEY: Okay.

29 P.O.WILLIAMS: Um I don't remember where his hands were at.

30

31 MORLEY: Okay. That's all I have.

32 KILLEN: All right is there anything you'd like to add?

1 P.O.WILLIAMS: Uh no.

2

3 KILLEN: All right and everything you stated is a true and  
4 accurate account of what occurred?

5 P.O.WILLIAMS: Yes.

6

7 KILLEN: All right this will conclude the recorded  
8 interview of Officer Perry Williams regarding Log  
9 number 1076367 U number 15 dash 15. Today is the  
10 6<sup>th</sup> of August 2015. The time is approximately
